This plan is the property of J. Morgan Design Associates, Inc. and may not be used or reproduced without their permission.

J. Morgan Design Associates, Inc. assumes no liability for any home constructed from this plan, if it is the ownership of the owner, if the owner fails to follow the following cautionary notes:

PLEASE NOTE:

1. Contractor must verify ALL DIMENSIONS prior to construction.
2. Contractor is responsible for construction and conforming to all N.C. State Building Codes.
3. Plans indicate location only, engineering aspects should incorporate actual site conditions. Caution must be taken to insure proper drainage, footing and foundation design, structural and mechanical. Consult engineer should attempt modifications, as even minor changes in one area of the building could lead to major problems in another area.
