A new development by

Network Space is a developer, investor and manager of commercial property active across the North and Midlands of England. Established in 1981, it is a family owned and managed business based in Newton-le-Willows. In recent years the group has developed over 2.8 million sq ft of commercial floor space, much of which is retained in the investment portfolio and managed in-house.

Industrial property has always been the core focus of the business having been originally founded to purchase a former factory and convert it into an industrial estate. Over 35 years later, the group owns and manages an industrial / warehouse portfolio of over 3 million sq ft spread across 60 locations.
