EXECUTIVE SUMMARY

The Boulder Group is pleased to exclusively market for sale a sale-leaseback portfolio of sixty-three single tenant net leased Adams Publishing Group properties. The portfolio consists of a total 1,085,308 square feet of space with a total proposed annual net operating income of \$6,256,149. This portfolio offers investors the rare opportunity to acquire a long-term stable cash flow of office and industrial properties. The proposed leases will be absolute triple net and feature zero landlord responsibilities. The primary term of the leases will be for twenty years, feature 1% annual rental escalations and have four 5-year renewal options.

Ownership will provide a substantial credit enhancement to the Adams Publishing Group lease. Upon closing, the primary investor in Adams Publishing Group, who has a significant net worth will provide a personal guarantee of approximately \$17 million, equivalent to more than two years of lease rental payments. Contact broker for details.

Adams Publishing is a family-owned community newspaper company started in 2013 and one of the largest community newspaper publishers in the US. In short time, Adams Publishing grew to become the sixth-largest newspaper chain in the US by number of newspapers owned. Adams Publishing publishes and distributes newspapers, magazines, websites and free distribution shoppers throughout twenty states and more than 100 daily and non-daily newspapers and publications. Additionally, Adams Publishing operates its own printing plants including 17 press lines.

Adams Publishing focuses on smaller towns and communities where local daily newspapers and specialty publications can flourish due to their strong local branding with connection to the communities. The community publications represent an important communication vehicle for residents and the businesses located within these communities. Adams Publishing reaches approximately 1,100,000 households. Adams Publishing is able to utilize its operational scale by reducing costs in centralized production, accounting and other back-office functions while allowing the local media groups to maintain operational control of the media's content while staying true to its origins.

PRINCETON, MN
