Strategically located on the premier North West distribution corridor, directly adjacent to Junction 6 of the M61. This provides seamless access to the M60 Manchester Ring Road just 10 miles southeast, which in turn links to major motorways including the M6, M62, M56, and M66, ensuring excellent connectivity to regional and national transport networks.

Positioned 5 miles (8 km) west of Bolton, 17 miles (27 km) northwest of Manchester, and 19 miles (30 km) south of Preston, with Middlebrook Rail Station only 0.6 miles (1 km) to the south, offering convenient rail transport options for employees and freight.

A short walk from Middlebrook Retail and Leisure Park, the largest integrated and sustainable employment, leisure, sports, and retail scheme in the UK, consistently ranked as the nation's number one retail park, enhancing amenities and lifestyle options for occupiers.

A PRIME LOGISTICS LOCATION

ROADS

Arrow Point is perfectly positioned to serve the Greater Manchester conurbation as well as the wider North West region, reaching 20 million consumers and 60% of UK businesses within a two-hour drive.

Located next to Junction 6 of the M61 motorway, Arrow Point provides direct access to major routes including the M60, M62, M65, and M6 motorways. The M60 is just 10 miles (16 km) away, offering excellent connectivity to both the North West and North East. The M61 also connects seamlessly to the M6, enabling swift travel north and south across the UK.

TRAINS

Horwich Parkway Rail Station, located just 0.6 miles away, or a 12-minute walk, provides connectivity to local urban hubs, with frequent direct trains to Manchester, Wigan, Kirkby, and Southport. Bolton train station, 4.3 miles from the site, also offers regular services to Manchester, Edinburgh, Wigan, Blackburn, and more key regional cities. Manchester Piccadilly station is situated 19 miles from the property, providing additional rail connections.

AIR

Arrow Point is positioned within 24 miles of Manchester Airport, the UK's third busiest airport by passenger numbers. The airport also serves as a key UK freight hub with an annual throughput totalling 100,000 tonnes of import and export freight and mail which connects the North of England to 160 destinations worldwide.

PORTS

Arrow Point is strategically located in close proximity to a number of the region's key ports. Within 25 miles, occupiers can access Liverpool2, a £400 million deep-water container terminal at The Port of Liverpool. This enables the largest vessels to dock directly into the heart of the UK, with the capacity to handle next generation container ships of up to 13,500 TEU. Liverpool2 is one of the best connected container terminals in the UK, with 10 motorways within 10 miles.

LOCAL ECONOMY

Arrow Point is strategically located in Bolton, one of Greater Manchester's most significant economic centres. With a population catchment of over 400,000 people within a 5-mile radius, Arrow Point benefits from exceptional access to a large and skilled labour pool, with strong representation in key sectors such as manufacturing, logistics, transport, storage, and administrative services.
