

The Whisky Bond. A creative factory in north Glasgow.

A hive of activity across seven floors of offices, meeting, event and coworking spaces.

We're home to a growing number of Glasgow's most progressive and exciting creative businesses. Come and join them.

TWB

An aerial photograph of Glasgow, Scotland, showing the city center in the background with numerous buildings and the Glasgow Cathedral spire. In the foreground, the Forth and Clyde Canal flows through a green area with trees. A large white building, the Twickenham Rugby Ground, is visible on the right side of the canal. Power lines stretch across the sky. The text 'Location' is overlaid on the left side of the image.

Location

Sitting in Speirs Locks next to the Forth and Clyde canal TWB offers an antidote to city centre working. With Cowcaddens and St. George's Cross subway stations a 10 minute walk away, free on-site parking and TWB communal bikes, the building's fully accessible without the noise of the city centre.

A photograph of a modern, industrial-style office space. In the foreground, two people are seated at a wooden table, working on laptops. The space is characterized by exposed concrete beams, pipes, and a mix of lighting, including a large, glowing rectangular light fixture on the left and a smaller, cube-shaped pendant light in the center. In the background, another person is visible sitting on a dark sofa. The walls are white and decorated with several framed abstract artworks. A large, dark curtain hangs on the right side of the frame. The overall atmosphere is creative and collaborative.

Spaces

We're home to a variety of creative enterprises and our spaces reflect that. For bigger companies we have units up to 1600sqft as well as spaces for those starting out of 350sqft. We can connect you with a network of designers and fabricators who can work on the design and fit-out of units, but otherwise each space is a blank canvas you can make your own.

Rents

Our rents are all-inclusive and easy to manage.

Rent includes:

- service charge, buildings insurance and all utilities
- superfast WIFI
- on-site car and bike parking
- 24/7 access
- staffed reception during business hours
- access to meeting, event and breakout spaces
- showers
- ground floor café, operated by Piece who can also provide catering for meetings or events

TWB EPC Rating is C+.

Creative Community

As a TWB tenant you'll become part of the diverse and complementary eco-system. With a building of designers, photographers, film-makers, brands, social entrepreneurs, marketing specialists and tech developers there's opportunity to do business, develop new partnerships and forge new collaborations.

Resources and facilities

Home to Glasgow Sculpture Studios the building has world-class production facilities in wood, metal, plastics and ceramics. These workshops on the ground floor can be accessed by tenants on the upper floors via membership or via GSS' commercial fabrication service. Other fabrication services and resources within the building include: interactive design, 3D printing, laser cutting and CNC routing.

Programme of events

We produce a regular programme of events that include masterclasses, exhibitions, workshops, talks and parties to ensure a strong and connected community. We also have a range of event and meeting spaces that are available for hire.
