Zoning Employment 1 (E-1)

Flood Zone X

Bridgewater Commercial is pleased to present two versatile E-1 zoned properties on Automobile Boulevard in unincorporated Pinellas County (Clearwater, FL). Located in Flood Zone X, these assets offer excellent opportunities for owner-users, developers or investors and can be purchased separately or together. 13257 Automobile Blvd is a recently vacated house that could be used for office priced at \$700,000 on 0.49 acres. It features three carports and a 576 SF detached garage. 13217 Automobile Blvd is a general office building property priced at \$400,000 on 0.26 acres. It includes a 988 SF carport and a concrete paved fenced storage area. The total offering is \$1,100,000 (combined acreage: 0.75 acres). Both properties are connected to municipal water and have easy access to municipal sewer (line on the west side of Automobile Blvd with a lateral just south of the site).

E-1 (Employment-1) zoning is highly sought after and supports a wide range of uses including Contractors Yards, Vehicle Towing & Storage, Vehicle Maintenance & Repair, Light Manufacturing/Assembly, Warehouse, General Office, Catering/Food Trucks, Laboratories & R&D, Wholesale, and more. Additional uses are available via Type 2 or Type 3 review (see Page 17 for more uses).

The 13217 building is leased to a towing company on a one-year term (signed March 17, 2026) at \$1,708/month (plus water, electric & insurance). Landlord responsible only for HVAC, shingle roof (replaced 2010), and taxes. The lease includes two (2) one-year renewal options at tenant's discretion with negotiable terms. **If terms cannot be agreed upon, the lease terminates, providing excellent flexibility for a new owner.**

Strategically located approximately 500 feet south of Ulmerton Road, and within minutes of 49th Street North, the Gateway Expressway, I-275, US 19, and major transportation routes, these properties deliver strong access and visibility in an active industrial corridor. Ideal for contractors, service businesses, light industrial, or professional office users seeking functional, affordably priced space in a prime E-1 location.
