Description

The property has recently been refurbished and extended to provide a 15,495 sq ft industrial unit with a secure yard and parking on a self contained site. The building is of steel portal frame construction with insulated steel cladding and roof covering. The extended building benefits from two full height roller shutter doors accessing the warehouse space. The unit also benefits from offices arranged over ground and first floor. The unit is fully self contained and secure with palisade fencing around the perimeter.

Location

The property is prominently positioned on Atlantic Street, within one of Altrincham's most established industrial and commercial areas. The location provides excellent access to Manchester Road (A56), the M56 and M60 motorways, offering strong links across South Manchester and the wider motorway network. Altrincham Retail Park and Century Park are both close by, with a range of trade, warehouse and retail operators in the immediate area including Screwfix, Asda, Toolstation and JCB.

Altrincham town centre and its transport interchange are less than five minutes' drive, providing rail and Metrolink connections to Manchester and Cheshire. This is a well-connected and proven industrial location, suited to occupiers seeking warehouse, trade or storage space with good access and yard provision.
