

Unit 7, Bridgend Industrial Estate, Dalry, KA24 4ED

- Modern end-terraced industrial unit
- Cost-effective rent in a strategic location
- Potential for 100% rates relief
- 118.25 sq m (1,273 sq ft)

The subject comprises an end-terraced industrial unit within a block of four. The subject is of steel portal frame construction infilled with brick/block to dado level and profile metal sheeting above. The mono-pitched roof is covered in insulated profile metal sheeting incorporating roof lights.

The property can be accessed via a single passenger door and single electric roller shutter. There is also a single passenger fire exit door to the rear.

Internally, the unit has block infill walls with painted finish to dado. The floor is concrete with a painted finish. There is a partitioned office with sink/tea-prep area with plasterboard painted finish walls. There are also two WCs with tiled flooring and plasterboard painted finish walls.

LOCATION

The subjects are located in Dalry, a commuter town within North Ayrshire, with a resident population of approximately 6,000 (Census 2022). The town functions as a local commercial and service centre while also offering strong transport links to the wider Ayrshire region and Greater Glasgow.

The subject property is situated within Bridgend Industrial Estate, one of the town's established commercial locations positioned just off the A737 adjacent to Dalry railway station. The estate accommodates a range of occupiers including engineering firms, manufacturing businesses, and trade suppliers, contributing to its role as a hub for local industry. Notable nearby occupiers include Speedcrete and Strathtek CNC Services.

The property benefits from good access and visibility within the estate, with scope for servicing and parking directly adjacent to the premises.
