Location

Tern Place is situated on Denmore Road in the heart of the well established Denmore Industrial Estate in Bridge of Don, Aberdeen. Bridge of Don is located approximately 3 miles North of Aberdeen City Centre and has a population of c. 22,500 making it one of the largest suburbs in Europe.

The A90 Trunk Road is in close proximity to the property, thus providing easy access to all parts of the City and the wider area. Many multi-national companies are represented in Bridge of Don including Drager, Finning, Sparrows and Saipem ENI.

The precise location is shown on the plan above, which has been provided for indicative purposes only.

Description

The available accommodation comprises a modern, detached office building, arranged over ground and first floors and benefits from a sizeable two storey rear extension. The building is of steel frame construction with solid concrete floors and there is profile metal cladding to the walls and roof. Externally, there is dedicated car parking for approximately 33 vehicles (including 2 disabled spaces).

Internally, the office areas benefit from a modern specification to include gas fired heating with perimeter radiators, suspended ceilings, carpeted floors, double glazed windows, a passenger lift, intruder alarm system and there is ample provision of toilet and kitchen/tea prep facilities. The ground floor of the rear extension is currently fitted out for use as lab area however, could be adapted to office or workshop space.

The building is capable of being converted to open plan albeit it is currently fitted out, by means of demountable partitioning, in predominately cellular fashion.
