ABOUT

# Medical City Healthcare

Medical City Healthcare is one of the region’s largest, most comprehensive health care providers and includes 16 hospitals, 8 off-campus emergency rooms, 11 ambulatory surgery centers, more than 4,400 active physicians and 17,000 employees in the Dallas-Fort Worth area.

Medical City Healthcare is committed to providing excellent care that is convenient and accessible. Our focus on patient safety and quality is grounded in evidence-based medicine and is delivering better outcomes for our patients every day. As part of our continuous quality improvements, Medical City Healthcare benchmarks our rankings in emergency department wait times, door-to-balloon times and key service line indicators as reported by CMS.
