PROFESSIONAL BACKGROUND

Gene joined 33 Realty's Investment Brokerage team in 2018 after fortunately becoming acquainted with Sean Connelly. He specializes in middle-market multifamily, retail, and mixed-use investment properties and commercial leasing in Chicago. He is a proud alumni of DePaul University's Real Estate and Liberal Studies Honors programs. During his time at DePaul, he had the fortune to intern for two of Chicago's most respected real estate firms: R2 Companies & Baum Realty, while also leasing apartments with residential firms "on the side" to fund bar/restaurant tabs and travel.

Prior to joining 33 Realty, Gene had the pleasure to cut his teeth for two years as a multifamily investment sales and retail leasing broker at First Western Properties under Paul Tsakiris' guidance after six years in appraisal/valuation at CBRE, The Butler Burgher Group, and Colliers alongside Chad Bosley and Mike D'Alessandro. As a commercial appraiser, he gained invaluable experience working on varying property types and classes: both institutional and middle-market retail, office, industrial, and multi-family. This diverse background gives him a unique capability to competently service clients across multiple asset types both in sales and leasing.

As a devout and passionate Chicagoan, Gene lives with his beautiful and talented wife Sara, an emergency veterinarian, and four French Bulldogs: Jerry, Elaine, Kramer, and George in Chicago's Wicker Park neighborhood.
