LOCATION:

The subject property is located in the highly favoured, predominately residential area of Weddington fronting directly onto the busy A444 Weddington Road, being situated approximately half a mile from Nuneaton town centre and within close proximity of the railway station. The location is particularly conveniently situated for access northwards to the A5 Trunk Road (providing direct connections to the M42 and M69 Motorways) and also via the A444 for access south to the M6 motorway at Junction 3 which is approximately six miles distant.

DESCRIPTION:

The property comprises an extensive former retail store which has been attractively modernised and refurbished to provide high quality office accommodation together with ancillary storage considered suitable for a variety of business uses. The property also benefits from a useful forecourt parking area with additional potential parking/external storage yard area and outhouse at the rear. Limited parking will be reserved for the flat within the forecourt parking area. Otherwise the property, which forms part of a two storey building which includes a separately lettable first floor flat, benefits from gas-fired central heating and double glazing and also has an intruder alarm installed.
