Overview

William House provides high quality office space in the heart of Wimbledon town centre which is an increasingly popular business location.

The first and second floors have been fitted to provide open plan office space, meeting rooms, private offices and a break out area and are available from September 2021.

The area benefits from excellent public transport connections with the rail station being on the main line network (SWR) which provides regular services to Waterloo, Surbiton, Woking and Guildford. It's also on the London Underground (District Line) in addition to the London Trams meaning there is easy access to central and greater London. The A3 provides easy access to M25 Junction 10 whilst the M4 is 9 miles to the north.

Wimbledon has a strong amenity offer with a variety of cafes, restaurants, shops and leisure facilities.
