PROPERTY HIGHLIGHTS

 **timberline** is a resort-style office park with over 85,000 square feet of office and event space. It is situated around a 5-acre lake--affording opportunity for catch and release fishing for tenants, a boat dock, walking trail, and other amenities. The office park has the distinction of being originally constructed as the headquarters for Red Roof Inn. The buildings are cedar frame construction with distinctive vaulted ceilings on upper floors and cedar wall panels giving each building a resort-like interior. Add the lake and the occasional spotting of deer, fish jumping, and over 30 varieties of birds, and Timberline is an office destination like no other.

Immediately adjacent is the new mixed-use project TruePointe--a new development featuring high-end dining, retail, and office space at the heart of a thriving community.
