Property Overview

This flex space consists of 39,100 SF of well-maintained warehouse space with updated office improvements. It is zoned M – General Industrial, permitting a broad range of uses.

The office area includes a training/classroom, five private offices, a conference room, and a kitchenette with dedicated dine-in space. The second floor is largely open, allowing flexibility for collaborative workspace or additional office use. The building contains four restrooms, including two within the office area, one within the training room, and one serving the warehouse.

The property is located minutes from I-71 and I-275, providing efficient access to the Cincinnati metropolitan area and regional markets.
