Stunningly beautiful North Side mansion nestled amongst the vibrancy of all that the neighborhood has to offer. With beautiful views of the Allegheny Commons East Park, 1010 Cedar Avenue offers the perfect blend of old world charm and city living with thoughtful design that captivates all. Undergoing extensive, meticulous renovations in 2012 to bring it back to its original glory, 1010 Cedar Avenue was able to reopen its doors as a bed and breakfast. Previously operated as the Allegheny Inn, this North Side manor dons three staggering guest suites, an intimate dining area and open parlor for entertaining, a private office, an upgraded commercial kitchen, off-street parking, and even an inn-keeper quarters. Beautiful, original hardwood floors grace the home with elegance, and the attention to detail in the woodwork, crown molding, parlor, and the guest rooms – even down to the claw foot tubs in the bathrooms – makes this city estate stand out amongst the rest.

The Neighborhood

The Northside is a community of unparalleled assets. 18 neighborhoods strong, we are built on a history of hard work. Today, we are home to the greatest concentration of cultural amenities in our region and to a collection of some of the most diverse communities in our city.

Among the city’s oldest, the North Side neighborhoods were laid out in 1788, and many of the buildings date from the mid-19th century and include some truly beautiful examples of Victorian architecture.

The area nestles among Pittsburgh cultural institutions like the Mattress Factory, the Manchester Craftsman’s Guild, the National Aviary, the Andy Warhol Museum, the Children’s Museum, and of course, all the attractions on the North Shore (Heinz Field, PNC Park, and the Carnegie Science Center).

Though a grocery store is a car ride away, the ambiance and neighborliness of the Mexican War Streets attracts many people. The great green expanse of Allegheny Commons serves as a beautiful “front yard” for North Side residents, and local organizations are always looking for ways to improve the park and the community at-large.
