LOCATION

LOCAL AMENITIES

BATHGATE

Bathgate has an indigenous population of 20,400 in West Lothian within easy commuting distance to both Glasgow & Edinburgh lying 5 miles west of Livingston and adjacent to the M8 motorway. The town benefits from good secondary and primary schools provision within a short distance from the development site and has attracted major residential developments such as The Wester Inch scheme with over 2,200 units. The town is well served by a variety of national and local retailers, restaurants and leisure users to include Tesco, Morrisons, Aldi, Lidl, Home Bargains and Greggs.

Bathgate's road and rail infrastructure is excellent offering accessible commuting routes to Glasgow (38 minutes drive) and Edinburgh (45 minutes drive). The new Bathgate to Airdrie line opened in October 2008 offering regular trains to Glasgow (40 minutes) and Edinburgh (30 minutes).

DESCRIPTION

3 separate development sites offers significant opportunity for residential led development.

Site A extends to 9.6 acres (3.9 hectares) and is generally flat. A culvert runs east to west across the site as shown in blue on photograph opposite. The site has excellent views over the historic Bathgate Golf Course to the east and the Bog Burn runs along the western boundary. The site has unburdened access from a new distributor road to the east of the Morrisons supermarket.

Site B extends to 2.05 acres (0.83 Ha) and forms an island site between the main access of Whitburn Road and the rail line. The site has direct access off the road infrastructure and is ideally suited to further housing development to support adjacent site A.

Site C extends to 0.88 acres (0.36 Ha) and benefits from a prominent location with excellent road frontage at the main entrance to the overall development. A McDonalds drive thru restaurant lying to the north has recently been extended to provide additional car parking. Site C would suit a retail, leisure or restaurant use, subject to planning.

PLANNING

Site A benefits from an extant planning consent for 200 residential units (ref 0115/P/08 & 0748/MSC/12) approved on 20th September, 2013. On 9th September 2017 work commenced on site and West Lothian Council confirmed that all consents were extant. In June 2019 West Lothian Council's Planning Department indicated that a complimentary housing development would be considered on site B to accommodate a mix of private and affordable units.
