SHOREDITCH, LONDON EC2A 4RJ

The building is situated on the south side of Scrutton Street close to the junction with Paul Street in the heart of Shoreditch.

The location is well serviced by transport links, with Shoreditch High Street (Overground) being about a 5 minute walk to the east, and with Old Street (Northern and Mainline services) and Liverpool Street (Central, Circle, Metropolitan and Hammersmith & City lines and Mainline services with Crossrail from 2018) stations both being within a 7 minute walk.

Description

The offices form part of a multi-let Victorian former warehouse conversion. The units benefit from a number of original features, including pitched roof (in part). Due to the high ceilings and large amount of windows on two elevations the units benefit from excellent natural light. There is also a passenger lift which serves all floors. The unit will appeal to a range of occupiers including technology, media and professional services.
