Easy In / Out Inclusive Leases

Flexible leases with service and insurance built into the rent – so no additional service charges.

- Simple, easy to understand leases
- Innovation Business Centre: 3 year lease with the Tenant only break at 12 months, rolling thereafter on 3 months' notice
- Enterprise Business Centre: 5 year lease with the Tenant only break at 3rd year
- Monthly payment options for Innovation Business Centre units
- On-site estate manager
- Safe and secure with Business Watch 24/7

- Buildings insurance included in rent
- Responsibility to maintain the interior of the property only
- 3 months' rent deposit

Collaboration

Our links with local organisations mean that we can provide you with additional services to support your growing business.

- Havering Works – access to recruitment support
- Access to meeting facilities on site and at CEME (Centre for Engineering and Manufacturing Excellence)
- Access to training and development opportunities

Track Record

SEGRO has a track record of offering flexible, affordable properties to help small businesses to thrive. The Enterprise Quarter in Slough was launched specifically to respond to the needs of small enterprises and start-ups by creating a business community of like-minded people, with ongoing support and advice.

Developer & Landlord Of Choice

With over 95 years experience of creating industrial space to support business growth, SEGRO has the knowledge, resources and expertise to deliver an exciting vision for the area.

SEGRO's London portfolio extends to over 11 million sq ft of light industrial and logistics space, which is home to 450 customers across core markets including Park Royal, Heathrow, East and North London.

ABOUT SEGRO

SEGRO is a UK Real Estate Investment Trust (REIT), and a leading owner, manager and developer of modern warehouses and light industrial property.

It owns or manages 6.7 million square metres of space (72 million square feet) valued at over £9 billion serving customers from a wide range of industry sectors. Its properties are located in and around major cities and at key transportation hubs in the UK and in nine other European countries.

See SEGRO.com for further information.

A NEW BUSINESS DESTINATION

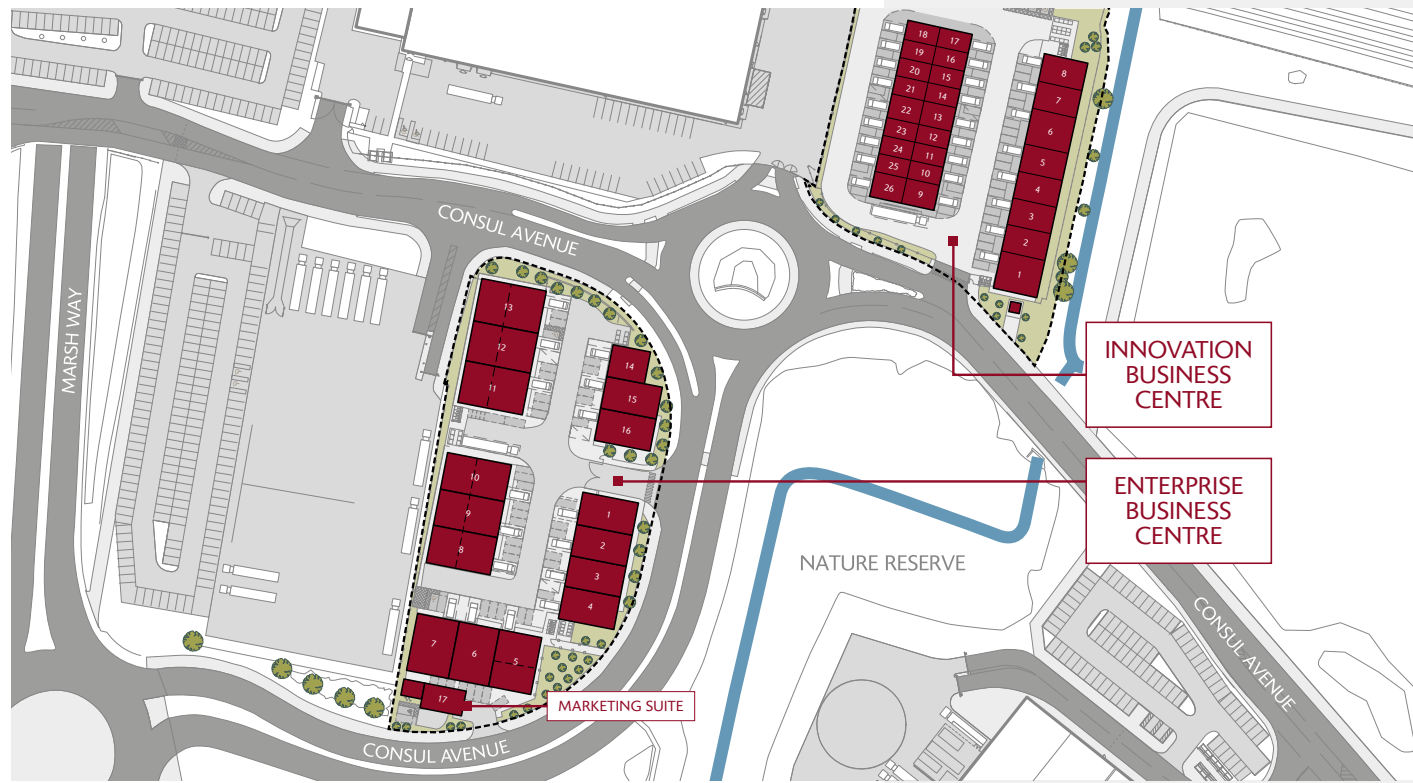

An opportunity to be part of one of the most sought after business destinations in London.

WITH CONNECTIVITY AT ITS CORE

Fronting the A13, the Enterprise Quarter benefits from easy access to Central London (15.5 miles). The M25 is also in close proximity (5.7 miles), providing routes to the national motorway network.

Transport connections to the capital and beyond are only a short distance away, with Rainham (C2C) Station and Dagenham Heathway (District Line) close by.

PHOTOVOLTAIC PANELS

TRANSFORMING EAST LONDON

The Enterprise Quarter is part of SEGRO and the GLA's portfolio of sites in East London to be regenerated.

Innovation Business Centre

SEGRO is the Greater London Authority's preferred partner to deliver East Plus; the regeneration of a series of industrial locations spanning Newham, Barking & Dagenham and Havering.

The partnership is one of the largest to create employment space on public land in London.

In supporting the return of the industry to London Riverside, the Enterprise Quarter shows the commitment to supporting local trades and presenting new opportunities to attract businesses, keeping East London's industrial heritage alive.

Employment Strategy

Working together, SEGRO, Havering Council, Job Centre Plus and Havering College have launched the Havering Job Brokerage scheme 'Havering Works'. The bespoke and free service is designed to help new occupiers to recruit a locally skilled workforce. A dedicated Account Manager will work with customers to understand their recruitment needs and help to design and deliver a business-led training and recruitment package.

CEME | THE CENTRE FOR ENGINEERING AND MANUFACTURING EXCELLENCE

The Centre for Engineering and Manufacturing Excellence (CEME) is a stunning world-class research, business support, skills and education campus located in East London with a focus on supporting the engineering, manufacturing and technology sectors.

The CEME Campus offers high specification workspace and provides an inspirational environment for business growth. Part of a £400m regeneration programme in East London, CEME was established in 2003 to provide skills, create jobs and businesses that are revitalising London's industrial heartland.
