Green Credentials

Chancerygate employ the latest environmentally friendly technologies to reduce the costs of occupation and target a minimum EPC rating of B for their units. As a result, occupational costs to the end user will be reduced.

The green initiatives we employ to achieve this have included:

- Low air permeability design
- Electric vehicle charging points
- Photovoltaic panels
- Warehouse roof lights increasing natural lighting
- High performance insulated cladding and roof materials
- Secure cycle parking

Accommodation

Indicative layout only.
