

Check Out Lancaster, California!

Fully Entitled Cannabis Cultivation & Volatile Extraction Facilities
Butane, Propane, Hexane or CO2

www.OnionPlantLancaster.com

Lancaster is the ONLY city in LA County that allows for mixed light cultivation on non-ag zoned land. Lancaster has 100% renewable energy (Desert Hot Springs only has 20%) Located in LA County, Lancaster is only 50 minutes from downtown LA. With over 200,000 sqft on our secured campus this facility is unmatched. We have opportunities for purchase and leasing.
