LOCATION:

The subjects are in a central position on Langstane Place, midway between Bon Accord Street and Dee Street within the heart of the city centre.

Furthermore, the subjects are located a short distance from Union Street which represents Aberdeen's primary retailing thoroughfare. The subjects therefore provide good levels of footfall and excellent access to public and private transport links. The property also benefits from its close proximity to Justice Mill Lane where a number of the cities licenced premises reside.

The Ordnance Survey extract is for identification purposes only.

DESCRIPTION:

The subjects comprise a ground floor shopping centre located within a substantial three storey and attic, corner terraced building of solid granite stonework and a timber framed pitched roof over.

The centre occupies a prominent corner of Langstane Place and Bon Accord Street with entry to the unit by way of a recessed entrance to the western corner of the building.

Internally the centre feature an attractive central mall from which entry is available to each of the available units.

Unit 3

Internally the unit is laid out to provide retailing accommodation together with staff/office space towards the rear of the property. The property benefits from security roller shutter doors.

Unit 4

Internally the property has been split to provide a front retailing section and a further two internal offices and benefits from aluminium glazed windows towards the rear.

Unit 7

Internally the property provides a large retailing area towards the front of the property, stud partition walls are in place to provide a large changing room area.

Unit 8

Internally the property provides reasonable retailing space with toilet to the rear. Access to the property is provided from the Galleria main hallways with secondary access from Langstane Place.
