      Also known as “bid by proxy” wherein the bidder establishes a person to bid on their behalf at auction up to a certain limit. In the case of online auctions, computers have automated the proxy role and bidders establish their bid limits online and the software answers bid challenges by automatically making the next bid increment up to the proxy limit.
   b. BACKUP BIDDER

   h. GENERAL SERVICES ADMINISTRATION
      The term “General Services Administration” (“GSA”) as used herein refers to the United States General Services Administration, a Federal agency conducting this sale in agreement with the United States Department of Education (ED). It is understood and agreed that the Government is not obligated to pay for any expense incurred in connection with title matters or survey of the Property.

12. TITLE

13. EASEMENTS, ENCROACHMENTS AND RESERVATIONS

14. COVENANT AGAINST CONTINGENT FEES

The Purchaser warrants that he or she has not employed or retained any person or agency to solicit or secure this contract upon any agreement or understanding for commission, percentage, brokerage, or contingent fee. Breach of this warranty shall give the Government the right to annul the contract without liability or in its discretion to recover from the Purchaser the amount of such commission, percentage, brokerage, or contingent fee in addition to the consideration herewith set forth. 15. CONTINUING OFFERS

Each bid received shall be deemed to be a continuing offer for forty-five (45) calendar days after the close of the online auction until the bid is accepted or rejected by the Government.

If the Government desires to accept any bid after the expiration of the forty-five (45) calendar days, the consent of the bidder shall be obtained prior to such acceptance.

16. TENDER OF PAYMENT AND DELIVERY OF INSTRUMENT OF CONVEYANCE

Prior to closing, the Purchaser or Purchaser’s agent must open an escrow account with an independent, unaffiliated escrow company (“Escrow Holder”) to handle the closing. On the closing date, the Purchaser shall tender to the Escrow Holder the balance of the purchase price in the form of a cashier’s check, certified check or electronic wire transfer. Upon confirmation that Purchaser’s funds have been received by the Purchaser’s Escrow Holder, the Government shall deliver the instrument, or instruments to the Purchaser’s Escrow Holder for recordation. Possession of the Property will be assumed by the Purchaser at the time of closing. The Government reserves the right to extend the closing date for a reasonable amount of time.

17. DELAYED CLOSING

However, if the Government grants an extension, the Purchaser may be required to pay either: (i) a liquidated damages assessment of $250.00 per day; or (ii) interest on the outstanding balance of the purchase price, whichever is greater, if the closing of the sale is delayed, and the delay is caused, directly or indirectly, by the Purchaser’s action or inaction and not by any action on the part of the Government. The interest rate shall be computed based on the yield of 10-year United States Treasury maturities as reported by the Federal Reserve Board in "Federal Reserve Statistical Release H.15" plus 1-1/2% rounded to the nearest one-eighth percent (1/8%) as of the date of bid acceptance. The Government may impose additional terms and conditions to grant an extension.

c. Bids must be submitted without contingencies.

d. Bidders that are currently in default status on GSA Auctions®, for non-payment or non-removal of items, will not be allowed to place bids for real property. They will only be allowed to "browse" the items. For more information, review the GSA Auctions® Terms and Conditions.

7. CONTINUOUS BIDDING RESULTS AND AUCTION INFORMATION

Bidders are strongly encouraged to monitor bidding activity at RealEstateSales.gov. Bidders may also review bid activity by clicking on the “My Messages” tab once logged in. New bids are immediately posted at RealEstateSales.gov upon receipt. If you no longer have the high bid and the sale has not closed, you can go back to the item and place another bid. Bids cannot be lowered or canceled.

If your bid is not accurately shown on RealEstateSales.gov, then you should call GSA at (415) 522-3435 or (415) 522-3439. Bidders are urged to pay close attention to RealEstateSales.gov which will contain new, revised, and useful information regarding the high bid, modification to bid increment and the closing date of the auction that is subject to change. Bidder agrees and accepts that notices of any changes to the terms and conditions of sale or instructions to bidders is satisfactory when made available on either or both of GSA’s real property disposal websites at RealEstateSales.gov and/or disposal.gsa.gov.

8. ONLINE BIDDING

RealEstateSales.gov allows you to place a either a flat or automatic (“proxy”) bid. A flat bid is for an amount at least the current bid plus the posted minimum Bid Increment. If the bid is greater than another bidder's automatic bid, the system will consider this flat bid as the current (winning) bid. If the bid is less than or equal to another bidder’s automatic bid, the system will record the bid but it will not be considered the current (winning) bid. The required minimum bid will be specified on the bid screen and once entered it will be displayed as the winning bid unless an automatic bid that is greater than this amount has been placed.

An automatic bid is an amount that you set above the posted minimum bid. Realestatesales.gov will use as much of your bid as needed to make you the current winner of the auction or to meet the auction's reserve price. The system will automatically apply the minimum Bid Increment up to the total amount bid to make you the current winner of the auction or to meet the auction’s reserve price. Your automatic bid amount is not shown to other bidders until it is reached through competitive bidding. You may change your bid amount but not less than the next bid increment amount. If the system reaches your automatic bid limit, it stops bidding for you. Submit another bid if you want to continue bidding. If you selected to receive e-mail notifications during registration, the system will notify you if you are no longer holding the winning bid. You can submit another flat bid or reset
your automatic bid amount if you want to continue bidding. Your automatic bid is not shown to other bidders. If a reserve price is set, RealEstateSales.gov will use as much of your bid as needed to meet the reserve price.

If a bidder places a bid with the same automatic bid amount as another bidder, the previous (first) bidder will have the high bid since their bid was placed first. Both bids are recorded with the same amount, displaying the first bidder with the same amount as high bidder, until another bidder bids higher.

When two automatic bids compete, the greater of the two always wins. If the greater automatic limit does not exceed the lesser automatic limit by the full stated Bid Increment, then the greater automatic limit bid is placed. You may increase or decrease your automatic bid limit at any time. You cannot decrease your automatic bid below the current bid. If you are currently the winner in an auction, increasing your automatic bid will not increase your current bid until challenged by another bid. Changing your automatic bid may affect the indicated time remaining.

If you learn from RealEstateSales.gov that your bid was not the high bid, or if another bidder exceeds your previous high bid, you may increase your bid at RealEstateSales.gov until such time as bidding is closed. Increases in previously submitted bids are welcome and your Registration Deposit will apply to subsequent increased bids. All increased bids must be made online. The Government reserves the right to modify the Bid Increment at any time prior to the close of the auction.

9. TRANSMISSION AND RECEIPT OF BIDS

The Government will not be responsible for any failure attributable to the inability of the bidder to transmit or the Government to receive registration information, bid forms or a bid by any method. Failure to receive registration information, bid forms or a bid may include, but is not limited to the following:

a. Receipt of a garbled or incomplete bid.
b. Availability or condition of the sending or receiving electronic equipment.
c. Incompatibility between the sending and receiving equipment and software.
d. Malfunctioning of any network, computer hardware or software.
e. Delay in transmission or receipt of a bid.
f. Failure of bidder to properly identify the bid.
g. Security of bid data.
h. Inability of bidder to enter bid. For example: due to lost or forgotten password or system lock due to repeated login failures.
i. Unavailability of GSA personnel.

If your bid is not accurately shown or you cannot enter a bid at RealEstateSales.gov then you should call GSA at (415) 522-3435 or (415) 522-3439 for assistance.

The Website will NOT be available during the following system maintenance windows:

- Saturday: 5:00 a.m. to 8:00 a.m. CT
- Sunday: 6:00 a.m. to 10:00 a.m. CT

Occasionally, technical problems will interrupt the bidding process for an unspecified amount of time. These interruptions may affect some or all bidders. In the event of an interruption, an evaluation of the length of interruption time and the numbers of bidders affected may prompt GSA Auctions℠ to extend the closing time for an auction. Extension may range from 1 hour to 24 hours based on the aforementioned criteria, to insure fair and full competition. An email notification will be sent to those bidders who participated in these auctions when they are extended.
10. CLOSE OF AUCTION

a. Posting of the Close of Auction. The Government will post on the Website the date and time on which the auction is anticipated to close (shown on the Website as “Close Time”). This posting is typically at least three (3) business days prior to the posted Close Time. The Website will also show the days, hours and minutes remaining until the Close Time (shown on the Website as “Time Remaining”).

b. Inactivity Period and Closing of Auction. When the Close Time is posted, a twenty-four (24) hour inactivity period is established (shown on the Website as the “Inactivity Period”) and is posted under the “Bidding Details” tab of the Website. Note that the Website shows the Inactivity Period in minutes with 24 hours represented as 1440 minutes. In order for the Auction to close, the High Bid must remain unchanged for the Inactivity Period. Each time a new High Bid is received within the Inactivity Period or if the maximum amount that a Bidder is willing to pay for the Property under a proxy Bid is changed within the Inactivity Period, the Auction will automatically extend for an additional 24 hour Inactivity Period. The Time Remaining and Close Time will adjust accordingly. If the High Bid remains unchanged for the full Inactivity Period, the Auction will close.

c. Exceptions for Weekends and Holidays. Notwithstanding the foregoing, online auction sales cannot end on Weekends or Federal Holidays. Therefore, if the posted Inactivity Period extends into a Weekend or Federal Holiday, which the Website defines as the time between: (i) 12:00 am on Saturday until 11:59 pm on Sunday; or (ii) the 24-hour period between 12:00 am to 11:59 pm on any Federal Holiday, the Auction will automatically extend to the same time on the first business day following the Weekend or Federal Holiday. Examples are in the table below. Federal Holidays are listed here List of Federal Holidays.

11. ACCEPTABLE BID

An acceptable bid is one received from a responsible bidder, whose bid, conforming to this IFB, will be most advantageous to the Government.

12. BID EXECUTED ON BEHALF OF BIDDER

A bid executed by an attorney or agent on behalf of the bidder shall be accompanied by an authenticated copy of their Power of Attorney or other evidence of their authority to act on behalf of the bidder.

If the bidder is a corporation, the Certificate of Corporate/Organization Bidder, included in this IFB, must be executed. The certificate must be executed under the corporate seal by some duly authorized officer of the corporation other than the officer signing the bid. In lieu of the Certificate of Corporate Bidder, there may be attached to the bid, copies of so much of the records of the corporation as will show the official character and authority of the officer signing, duly certified by the secretary or assistant secretary, under the corporate seal, to be true copies.

If the bidder is a partnership, and all partners sign the bid, with a notation that they are all general partners, the Government will not ordinarily require any further proof of the existence of the partnership. If all the partners do not sign the bid, then the names of all those except limited partners must be furnished on the bid form and the Government, in its discretion, may require evidence of the authority of the signer(s) to execute bids on
behalf of the partnership. The name(s) and signature(s) of the designated bidder(s) must be included on the Bidder Registration and Bid Form.

If the bidder is a limited liability company, a certificate of the LLC must be completed and executed by the manager and submitted with the Bidder Registration Form. The Certificate of Corporate/Organization Bidder form may be used for this purpose.

13. NOTICE OF ACCEPTANCE OR REJECTION

Notice by the Government of acceptance or rejection of the bid shall be deemed to have been sufficiently given when faxed, mailed or e-mailed to the bidder or their duly authorized representative at the fax number physical address or e-mail address indicated on the Bid Form. The processing of a registration deposit by the Government shall not, in itself, constitute acceptance of the bidder’s offer. The Government reserves the right to reject any or all bids or portions thereof for any reason.

14. AUCTION SUSPENSION OR CANCELLATION

The Government reserves the right to temporarily suspend or cancel the auction for any reason without accepting a bid and resume the auction or start a new auction at any time. In the event of a temporary suspension due to technical problems, or other bidding issues, the Government will determine the high bidder and the high bid amount; re-open bidding and allow the auction to proceed according to the bidding terms described herein. The Government reserves the right to cancel the sale at any time and Registration Deposits will be returned to bidders without interest or further obligation by the Government.

15. INCREASE OF EARNEST MONEY AND TRANSACTION CLOSING

Within three (3) business days of acceptance of a bid by the Government, the Purchaser agrees to deposit Earnest Money in the form of a bank certified or cashier's check or wired funds transfer, equal to at least ten percent (10%) of the total bid in addition to any prior credit card deposits. Failure to provide these funds will result in a default and forfeiture of the Registration Deposit. Upon receipt of the Earnest Money deposit, applicable credit card registration deposits may be refunded.

Upon written acceptance of a bid, the Earnest Money shall be applied towards payment of the Purchaser's obligation to the Government. The full balance of the purchase price in the form of a certified check, cashier's check or electronic wire transfer is payable within forty-five (45) calendar days after acceptance of bid. At the time of closing, all monies paid by the Purchaser will be credited, without interest, toward the total purchase price.

16. REFUND OF REGISTRATION DEPOSITS

Registration Deposits accompanying bids that are rejected will be refunded to bidders without interest. Bidders who provided Registration Deposits by check will receive their check by mail. Refunds will only be processed to the same individual or entity identified on the Bidder Registration and Bid Form for Purchase of Government Real Property. Registration Deposits provided by credit card will be credited to the same account number provided.

Upon receipt of the Earnest Money described in Paragraph 15, credit card deposits may be refunded.

Registration Deposits received from the second highest bidder will be held as stipulated in Paragraph17, Backup Bidder. All other Registration Deposits will be processed for refunds after the last day of the auction or upon written request to withdraw from the auction unless the bidder is the first or second highest bidder. Return of registration deposits by check will be processed in a timely manner but may require several days before the deposit is returned. Refunds to a credit card will usually be processed within three business days.

17. BACKUP BIDDER

The second-highest bidder will be the Backup Bidder. The bid of the Backup Bidder may be considered for acceptance for the duration of Continuing Offer period described in Terms of Sale, Paragraph 15, Continuing Offers, if: 1) the original High Bidder is unable to fully complete the transaction according to the terms and
conditions of the IFB; or 2) if the original High Bidder fails to provide the required 10% of the purchase price as Earnest Money. The Bidder identified as the Backup Bidder agrees that their Bid remains a bona fide offer with which their Registration Deposit may be retained without interest, until the High Bidder provides the 10% Earnest Money or completes the transaction or both, at the Government's discretion. During the Continuing Offer period, the Bidder identified as the Backup Bidder agrees that they will not request retrieval, chargeback or any other cardholder refund and understands that a debt to the United States of America may be created if their deposits are in any way unavailable to the Government to which any party that participates in such chargeback or refund may be held accountable as provided in Terms of Sale, Paragraph 9, Revocation of Bid and Default. When the Backup Bidder is converted to the High Bidder, all terms, conditions and agreements described in the IFB are applicable to the successful bidder.

The Registration Deposit of the Backup Bidder will be returned as described in Page 14 Paragraph 16, Refund of Registration Deposits, if the Backup Bidder is not converted to the High Bidder. In the event that the Government is unable to complete the transaction with the highest or backup bidder, the Government reserves the right to consider the remaining bid(s) and accept a bid that is in the best interest of the Government.

18. ADDITIONAL INFORMATION

GSA will provide additional copies of this IFB and make every effort to answer requests for additional information concerning the Property to facilitate preparation of bids. Each bid shall be deemed to have been made with full knowledge of all terms, conditions, and requirements contained in this IFB and any amendments made thereto prior to bid acceptance. Bidders may also review the information pertaining to the Property at Disposal.gsa.gov or RealEstateSales.gov.

19. WAIVER OF INFORMALITIES OR IRREGULARITIES

The Government may, at its election, waive any minor informality or irregularity in bids received.

   b. CERCLA Covenant. Grantor warrants that all remedial action necessary to protect human health and the environment has been taken before the date of this conveyance. This reservation includes the right of access to and use of available utilities at reasonable cost to Grantor. THIS INDENTURE, made this ______ day of ______, 2020, between the UNITED STATES OF AMERICA acting by and through the Administrator of General Services, (hereinafter referred to as “GRANTOR”), under and pursuant to the powers and authority contained in the provisions of Title 40 U.S. Code, Chapter 5, et seq. as amended, and regulations and orders promulgated thereunder, and ________ (hereinafter referred to as “GRANTEE”).

WITNESSETH

WHEREAS, by quitclaim deed executed on June 18, 2004, and recorded on December 9, 2004, in the Official Records of Lassen County as Document No. 2004-11541, and re-recorded on January 24, 2005 as Document No. 2005-00574, the United States of America, acting by and through the Secretary of Education, by the Director, Federal Real Property Assistance Program, Office of Management, U.S. Department of Education, under and pursuant to the power and authority delegated by the Federal Property and Administrative Services Act of 1949 [40 U.S.C. § 550(c)], as amended, and regulations promulgated pursuant thereto at 34 C.F.R. Part 12, conveyed certain surplus real property identified as a Parcels H, J, T, V, and W, being portions of the Sierra Army Depot, consisting of a total 67.211 acres of improved land, located in Herlong, County of Lassen, California, to the Fort Sage Unified School District, a tax supported public school district of the State of California; and

WHEREAS, the Fort Sage Unified School District voluntarily reconveyed the Parcel W, consisting of approximately 1.632 acres (as shown on Record of Survey in Book 38 Page 59 of Maps recorded in the Office of Lassen County Recorder dated September 3, 2003) (herein referred to as “Property”) to the United States by deed dated November 5, 2019 and recorded in the Official Records, County of Lessen on November 15, 2019 as Document #2019-04691; and

WHEREAS, the United States General Services Administration (US GSA) accepted the voluntary reconveyance on February 7, 2020 for the limited purpose of conducting an immediate sale of the Property; and
WHEREAS, because of the US GSA’s limited purpose of accepting the property for resale, under 42 U.S.C. § 9601, the terms “owner” and “operator” do not apply to US GSA; and

NOW THEREFORE, GRANTOR, for valuable consideration, the receipt of which is hereby acknowledged, and by these presents does hereby remise, release, and quitclaim to the GRANTEE, and to its successors and assignors, all of its right, title and interest in all of the Property.

THE CONVEYANCE IS SUBJECT TO THE FOLLOWING:

PROPERTY. The conveyance of the PROPERTY is subject to all of the covenants, conditions, restrictions and reservations provided in this Indenture.

NON-DISCRIMINATION. The Grantee covenants for itself, its successors and assigns and every successor in interest to the property hereby conveyed, or any part thereof, that the said Grantee and such heirs, successors and assigns shall not discriminate upon the basis of race, color, religion, sex, or national origin in the use, occupancy, sale, or lease of the property, or in their employment practices conducted thereon. This covenant shall not apply, however, to the lease or rental of a room or rooms within a family dwelling unit; nor shall it apply with respect to religion to premises used primarily for religious purposes. The United States of America shall be deemed a beneficiary of this covenant without regard to whether it remains the owner of any land or interest therein in the locality of the property hereby conveyed and shall have the sole right to enforce this covenant in any court of competent jurisdiction.

HAZARDOUS SUBSTANCE ACTIVITY.

Notice Regarding Hazardous Substance Activity. Pursuant to Section 120(h)(4) of the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended (CERCLA) (42 U.S.C. §9620(h)(4), Grantor hereby gives notice that no hazardous substances are known to have been released, disposed of, or stored for one year or more on the Property during this period of reconveyance for the limited purpose of reselling the Property.

CERCLA Covenant. United States warrants that all remedial action necessary to protect human health and the environment has been taken before the date of this conveyance. United States warrants that it shall take any additional response action found to be necessary after the date of this conveyance regarding hazardous substances located on the PROPERTY on the date of this conveyance.

A. This covenant shall not apply:

1. In any case in which the GRANTEE, its successor(s) or assign(s), or any successor in interest to the PROPERTY or part thereof is a Potentially Responsible Party (PRP) with respect to the PROPERTY immediately prior to the date of this conveyance; OR

2. To the extent but only to the extent that such additional response action or part thereof found to be necessary is the result of an act or failure to act of the GRANTEE, its successor(s) or assign(s), or any party in possession after the date of this conveyance that either:

   (a) Results in a release or threatened release of a hazardous substance that was not located on the PROPERTY on the date of this conveyance; OR

   (b) Causes or exacerbates the release or threatened release of a hazardous substance the existence and location of which was
known and identified to the applicable regulatory authority as of the date of this conveyance.

B. In the event the GRANTEE, its successor(s) or assign(s), seeks to have United States conduct any additional response action, and, as a condition precedent to United States incurring any additional cleanup obligation or related expenses, the GRANTEE, its successor(s) or assign(s), shall provide United States at least forty-five (45) days written notice of such a claim and provide credible evidence that:

1. The associated contamination existed prior to the date of this conveyance; AND

2. The need to conduct any additional response action or part thereof was not the result of any act or failure to act by the GRANTEE, its successor(s) or assign(s), or any party in possession.

Access Reservation. GRANTOR reserves a right of access to all portions of the PROPERTY for environmental investigation, remediation or other corrective action. This reservation includes the right of access to and use of available utilities at reasonable cost to GRANTOR. These rights shall be exercisable in any case in which a remedial action, response action or corrective action is found to be necessary after the date of this conveyance, or in which access is necessary to carry out a remedial action, response action, or corrective action on adjoining property. Pursuant to this reservation, the United States of America, and its respective officers, agents, employees, contractors and subcontractors shall have the right (upon reasonable advance written notice to the record title owner) to enter upon the PROPERTY and conduct investigations and surveys, to include drilling, test-pitting, borings, data and records compilation and other activities related to environmental investigation, and to carry out remedial or removal actions as required or necessary, including but not limited to the installation and operation of monitoring wells, pumping wells, and treatment facilities. Any such entry, including such activities, responses or remedial actions, shall be coordinated with record title owner and shall be performed in a manner that minimizes interruption with activities of authorized occupants.

AS-IS, WHERE-IS Provision. GRANTEE agrees and acknowledges that it has inspected, is aware of, and accepts the condition and state of repair of the PROPERTY, and that GRANTOR is selling the PROPERTY strictly on an “as is, where is” basis, with all faults basis, without warranty, express or implied, with any and all latent and patent defects. GRANTEE acknowledges that GRANTOR has made the PROPERTY available for inspection by GRANTEE and GRANTEE’s representatives. GRANTEE has inspected, or will have inspected prior to closing, the physical condition of the PROPERTY to the extent felt necessary by GRANTEE, including all improvements thereon, and accepts title to the same “as is” in its existing physical condition. GRANTEE acknowledges that it is not relying upon any representation, warranty statement or other assertion of the United States of America, as GRANTOR, including its agencies or any official, agent representative or employee of the foregoing, with respect to the PROPERTY’s conditions. except as set forth in the contract, GRANTEE is relying solely and wholly on GRANTEE’s own examination of the PROPERTY, is fully satisfied with the PROPERTY, and accepts any liabilities or costs arising in connection with the condition of the PROPERTY, including, but not limited to any costs or liabilities pertaining to any environmental condition on the PROPERTY. Except as set forth in Section C, below, the United States of America and its agencies disclaim any and all warranties and specifically make no warranties of title, habitability, merchantability, suitability, fitness for any purpose, or any other warranty whatsoever. GRANTEE is put on notice that any prior grant and/or encumbrance may be of record and GRANTEE is advised to examine all public records available regarding the PROPERTY. No employee or agent of GRANTOR is authorized to make any representation or warranty as to the quality or condition of the PROPERTY, merchantability, suitability or fitness of the PROPERTY for any use whatsoever, known or unknown to GRANTOR, or compliance with any environmental protection, pollution or land use laws, rules, regulations, orders, or requirements including, but not limited to, those pertaining to the handling, generating, treating, storing, or disposing of any hazardous waste or substance. In no event shall GRANTOR be responsible or liable for latent or patent defects or faults, if any, in the PROPERTY or for remedying or repairing the same including, without limitation, defects related to asbestos or asbestos containing materials, lead, lead-based paint, underground storage tanks, mold, radon or hazardous or toxic materials,
chemicals or waste, or for constructing or repairing any streets, utilities or other improvements shown on any plat of the PROPERTY.

Nothing in this “as is, where is” provision will be construed to modify or negate the GRANTOR’s obligation under the CERCLA covenant or any other statutory obligations.

**THIS CONVEYANCE IS EXPRESSLY MADE SUBJECT TO** all covenants, reservations, easements, restrictions, and rights, recorded or unrecorded, for public roads, highways, streets, railroads, power lines, telecommunication lines and equipment, cable, pipelines, drainage, sewer and water mains and lines, utilities and other right-of-ways, including but not limited to the specific easements, reservations, right and covenants described herein, and to any fact which a physical inspection or accurate display or survey of the PROPERTY may disclose.

**COVENANTS RUN WITH THE LAND.** The covenants, conditions and restrictions contained herein shall run with the land and shall bind and inure to the benefit of GRANTOR and GRANTEE and their respective successors and assigns.

**SAID PROPERTY** transferred hereby, totaling +/- 1.632 fee acres of land, was both duly determined to be surplus to the needs and requirements of the United States of America, and assigned to the US GSA for disposal in accordance with the provisions of Title 40, U.S. Code, Chapter 5 et., seq., as amended, and applicable regulations, rules and orders promulgated thereunder.

**IN WITNESS WHEREOF,** the GRANTOR has caused these presents to be executed as of the day and year first above written.
