Number of Floors 34

Typical Floor 11,480 SF

Building Class A

Parking Ratio 1/1,000

Year Built 1981 (Renovated 2013)

Building Manager Clise Properties

The Westin Building is perfectly located in downtown Seattle between the financial district and fast growing South Lake Union. The building's white Italian Carrara marble columns create a prominent façade. In addition to being a Class A office building, the Westin Building Exchange is also a world class data center and colocation facilities giving office users easy access to internet service providers and data center space.
