WHAT NEXT? HOW TO OBTAIN YOUR WORK SPACE

Look at the list of **offices available** and note those of interest.

Check cost will be within your weekly budget.

You may inspect the building outside, noting which floor contains the available office and the access arrangements.

Decide which you think is possibly suitable accommodation.

Telephone the lettings surveyor to discuss suitability (particularly your proposed use) and arrange a viewing appointment. This may take a few days to arrange.

Meet the surveyor at the building; view the space and discuss the details. (Please arrive at the agreed time).

If you wish to proceed, the surveyor will ask you to sign a form authorising credit checks. (S)he will seek some additional information at this time.

The surveyor will let you have a written offer of terms and may provide a form for a bank reference.

You should complete the bank reference form and take it to your bank (you will need to pay any charge made by your bank) and they will reply direct to the Council.

You should write to Birmingham Property Services to confirm your wish to proceed on the terms contained in the offer.

When the credit checks/bank reference and your written acceptance are received the surveyor will seek authorisation for the transaction.

Upon approval the surveyor will send a draft tenancy agreement for you perusal.

When this is agreed you should telephone the surveyor to confirm you are able to proceed and agree a date for the tenancy to begin. A meeting will be arranged for the following:

- To explain the main terms of your occupation and answer outstanding questions
- Obtain tenant(s) signatures on the tenancy agreement
- Supply you with a tenant's pack with additional information
- Accept payment of the first quarter's rent
- Accept payment of the council's administration costs
- Hand you the keys to the unit
- If a lease is to be granted, the documentation for signature will be a tenancy at will, pending completion of the lease documents by your solicitor, subject to approval.
