Market Research

Our offices publish commercial and residential market research across Utah and Nevada. NAI Excel and NAI Vegas are known for their deep and rich data. Lending institutions, appraisers, and business consultants look to our market reports as the authority on commercial real estate market trends. We have built and maintained a comprehensive database comprised of data collected from some of the largest appraisal firms in the region, NAI transaction, and other data. NAI publishes statistics for the office, retail, industrial, and multifamily markets. Additionally, single family housing reports are published for every major market from Las Vegas to Salt Lake City, through our affiliate.
