

MEMBERSHIP RATES

Thinking of joining the &co community? There are three different packages available, depending on your business needs. All memberships give access to the fundamental amenities needed to run your business, including mail service and the conference rooms, as well as the lounge, café, library, terrace, wellness rooms and events. Your new creative home awaits.

OPEN

Ideal for the freelancing professional who wants to reap the benefits of a creative environment, but doesn't keep regular hours or require a permanent space, the Open membership gives access to one of the shared desks.

Cost: \$250 per month

RESERVED

For those who benefit from being part of a bigger creative community but need their own desk space, the Reserved membership provides a dedicated private space in an open plan office, as well as storage.

Cost: \$600 per month

PRIVATE

If you or your team require a larger private space or headquarters in a thriving connected environment, &co can accommodate. We have a number of exclusive spaces, varying in size. Please contact us with your needs and specifications.

Cost: Starting at \$800 per month
