## Property Overview

The site consists of 3.4 acres located on the western side of Roswell Road just south of the intersection of Roswell Road and Dunwoody Place, within the city limits of Sandy Springs.

The property is directly across from the Dunwoody Place shopping center, anchored by a Publix grocery store and includes McDonald's, Starbucks, Arby's and a Wachovia bank. The site has excellent visibility on Roswell Road with approximately 450 feet of frontage. Adjacent to the north of the property is the Rivercliff Lutheran Church and to the south lies the Premier Business Center and the Huntcliff subdivision. Access to GA-400 via Northridge Road is only half a mile away, a MARTA bus stop is adjacent to the site, and I-285 is only 6.45 miles south on Roswell Road.

The acreage slopes off of Roswell Road and is split by a small creek leaving the majority of the site encompassed with flood plain. The site's excellent location and demographics makes it highly suitable for senior housing or assisted living. The current plan embraces the topo and yields 99 units with 51 parking spaces.
