## LOCATION

Penwerris Stores and Post Office is situated in a large residential area of the attractive Port and University town in Falmouth, which has seen significant growth in recent years and is widely regarded as a very popular town in which to holiday and live in Cornwall.

Penwerris Stores is largely unopposed and being on a junction is widely visible for passing traffic. The business benefits from a first floor flat, which to the rear has views over the Carrick Roads and is only a short stroll down the hill overlooking the Port and Falmouth Bay.

## THE PROPERTY

We understand a retail property has stood on this site since 1923, has been in our clients' tenure since 1997 and was totally rebuilt (in its current form) in 2003. The business comprises some circa 79.43 sqm (854sqft), with a large store of some 60.05sqm (646sqft) to the rear. On the first floor, with separate access, is a sizable owners flat, which is currently configured as a 2 bedroom property, but could be reconfigured to 3 or 4 bedrooms, with bathroom, lounge and kitchen.

Overall the property is well laid out, having been designed and built by our clients with ample space for storage to the rear. In our opinion, the property is presented in good order throughout.

## THE BUSINESS

As mentioned previously there has been a retail business on this site since 1923 and our clients are now wishing to sell due to impending retirement, having run the business for the past 22 years. The business trades all year (with the exception of Christmas Day), and operates between 8am and 9pm Monday to Friday, 8am to 8pm Saturday and 8am to 1pm on Sunday. The business is concerned with the sale of general goods, alcohol, stationery, confectionary, frozen goods and has a newsbill, with no deliveries or rounds, in the region of circa £550 to £600 per week. The business has the benefit of the National Lottery, Post Office Counter (Post Office Plus) and a cash machine. The business is principally run by our husband and wife clients, with 3 key staff and several part-timers, equating to 7 persons in total.

In terms of the trade, the trading profit and loss account for the year end March 2020 show net sales of £619,068, with a gross profit level of 25.3% and which produces an adjusted net profit of £90,082, after deducting all normal overheads, including wages of £73,289. Further accounting information will be made available subject to a viewing appointment.
