HEADQUARTERS-WORTHY OFFICE SPACE STEPS FROM THE HEART OF CHARLOTTE

525 North Tryon is an 18-story office tower that serves as an iconic entryway into Charlotte's business district. Opened in 1999, the building is the central component of a mixed-use development that includes office, retail, residential, all supported via a 607-space parking garage below the building. The 525 park is a favorite gathering spot for tenants with seating areas, brick-paved walkways, and a grassy central garden surrounding an interactive water feature. Colorful crepe myrtles, red maples, and other seasonal flowers add to the beauty of the 525 park. The building has a strong commitment to sustainability including green cleaning, trash separation for recycling, achievement of Energy Star, and submission for LEED certification. 525 North Tryon will soon feature a second onsite café, fitness club, electric car, bike room and training/conference center.

One block from Interstate 277, 525 offers ease of vehicular access with convenient parking available below the building. Additional parking is available at SkyHouse parking deck across the street, and at seven decks and lots surrounding the building. The unprecedented utilization of Charlotte's Lynx Blue line (and soon to be north extension) offers immediate connection to 525 via light rail and Lynx Rail Trail.

BUILDING FEATURES
