M62 J8 www.omegaopportunity.com

OMEGA
SOUTH

Overview

- Omega South is a 430 acre site offering immediate access to the M62 at J8
- Units from 100,000 to 820,000 sq ft still available on a build to suit basis
- Able to accommodate a single unit up to 820,000 sq ft
- Multi award winning scheme
- Occupiers already include Hermes, Brakes, Travis Perkins, Asda, The Hut Group and Plastic Omnium
- Outline planning permission granted for a further 1.27m sq ft of B2/B8 space

The most strategically
important logistics location
in the North West

Omega South benefits from immediate access to the motorway network and is within easy reach of a large available labour pool. Situated 3 miles west of the M6/M62 interchange in the heart of the north west region, Omega South is midway between Manchester and Liverpool. It is already acting as a vital new link in the supply chain for a number of major national logistics operations.

Demographics

- With unrivalled access to the North West region and the rest of the UK, Omega South is ideally located to serve manufacturing and logistics based corporates.
- 70,000 vehicles per day pass the Omega frontage to the M62.
- Omega's sub-region, comprising Warrington, Halton, Knowsley, St Helens and Wigan, accommodates approximately 28,100 businesses. It has a population of 948,000 with an available workforce of 589,000 (source Nomis).
- With a population of 6.9 million, the North West region has the largest resident and working population in the UK, outside London and the South East.

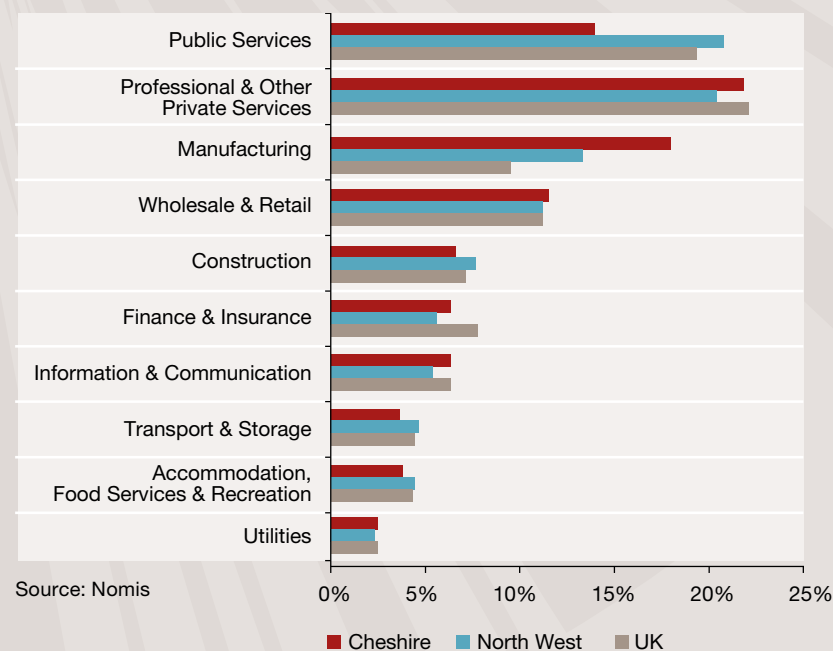

The Omega sub-region occupational by sector

- Agriculture 1.7%
- Manufacturing 8.5%
- Construction 10.8%
- Motor Trades 4.4%
- Wholesale & Retail 20.4%
- Hotels & Catering 6.9%
- Transport & Communications 6.3%
- Finance, Property & Business Services 27.9%
- Education & Health 5.2%
- Public Administration & Other Services 7.8%

Economic output by broad sector

Location

- Adjacent to and with direct access to Junction 8, M62
- M6/M62 interchange within 3 miles
- 2.5m people of working age within 30 minutes drive of Warrington (largest number outside M25)
- Easy access to Liverpool 2 deep water container terminal
- Manchester International Airport within 21 miles

Ideally placed to serve the new Liverpool 2 deep water container terminal

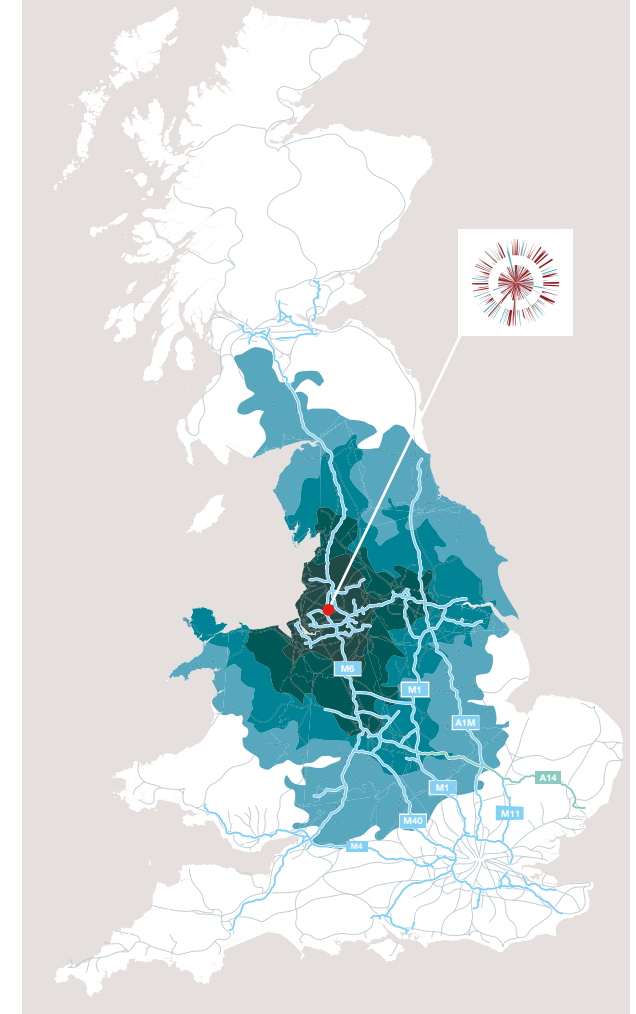

Omega is strategically located on both sides of the M62 at Junction 8, approximately 2 miles north of Warrington Town Centre. Junction 21a of the M6 motorway is approximately 2 miles due east and 16 miles to the west is Liverpool. Manchester lies 19 miles to the east.
