Business Park

Cardiff CF3 5EA

An aerial photograph of Eastern Business Park. The central feature is a large, modern office building with a grey roof and extensive glass windows. It is surrounded by several parking lots filled with cars. The park is bordered by a road in the foreground and residential areas with houses and trees in the background. A green semi-transparent box on the right side of the image contains text.

Eastern Business Park

Location

Eastern Business Park is located in St Mellons on the eastern outskirts of Cardiff, some 5 ½ miles to the north east of the city centre. The campus style complex benefits from excellent access to the M4 motorway via J28 (eastbound) and J30 (westbound), approximately 5 miles and 2½ miles respectively.

Grants

The property is situated in a Tier 2 grant assisted area. New or expanding businesses may qualify for financial assistance subject to employment creation criteria – further details available from the Welsh Assembly Government.

Public Transport

Eastern Business Park is situated on the main Cardiff to Newport bus route (A48M) with regular services available from the Wern Fawr Lane bus stop at the front of the park.

EPCs

Full details of the Energy Performance Certificates for Buildings One, Two and Three are available on request.

Business Rates

Tenants will be responsible for Business Rates attributable to their demise.

Service Charge

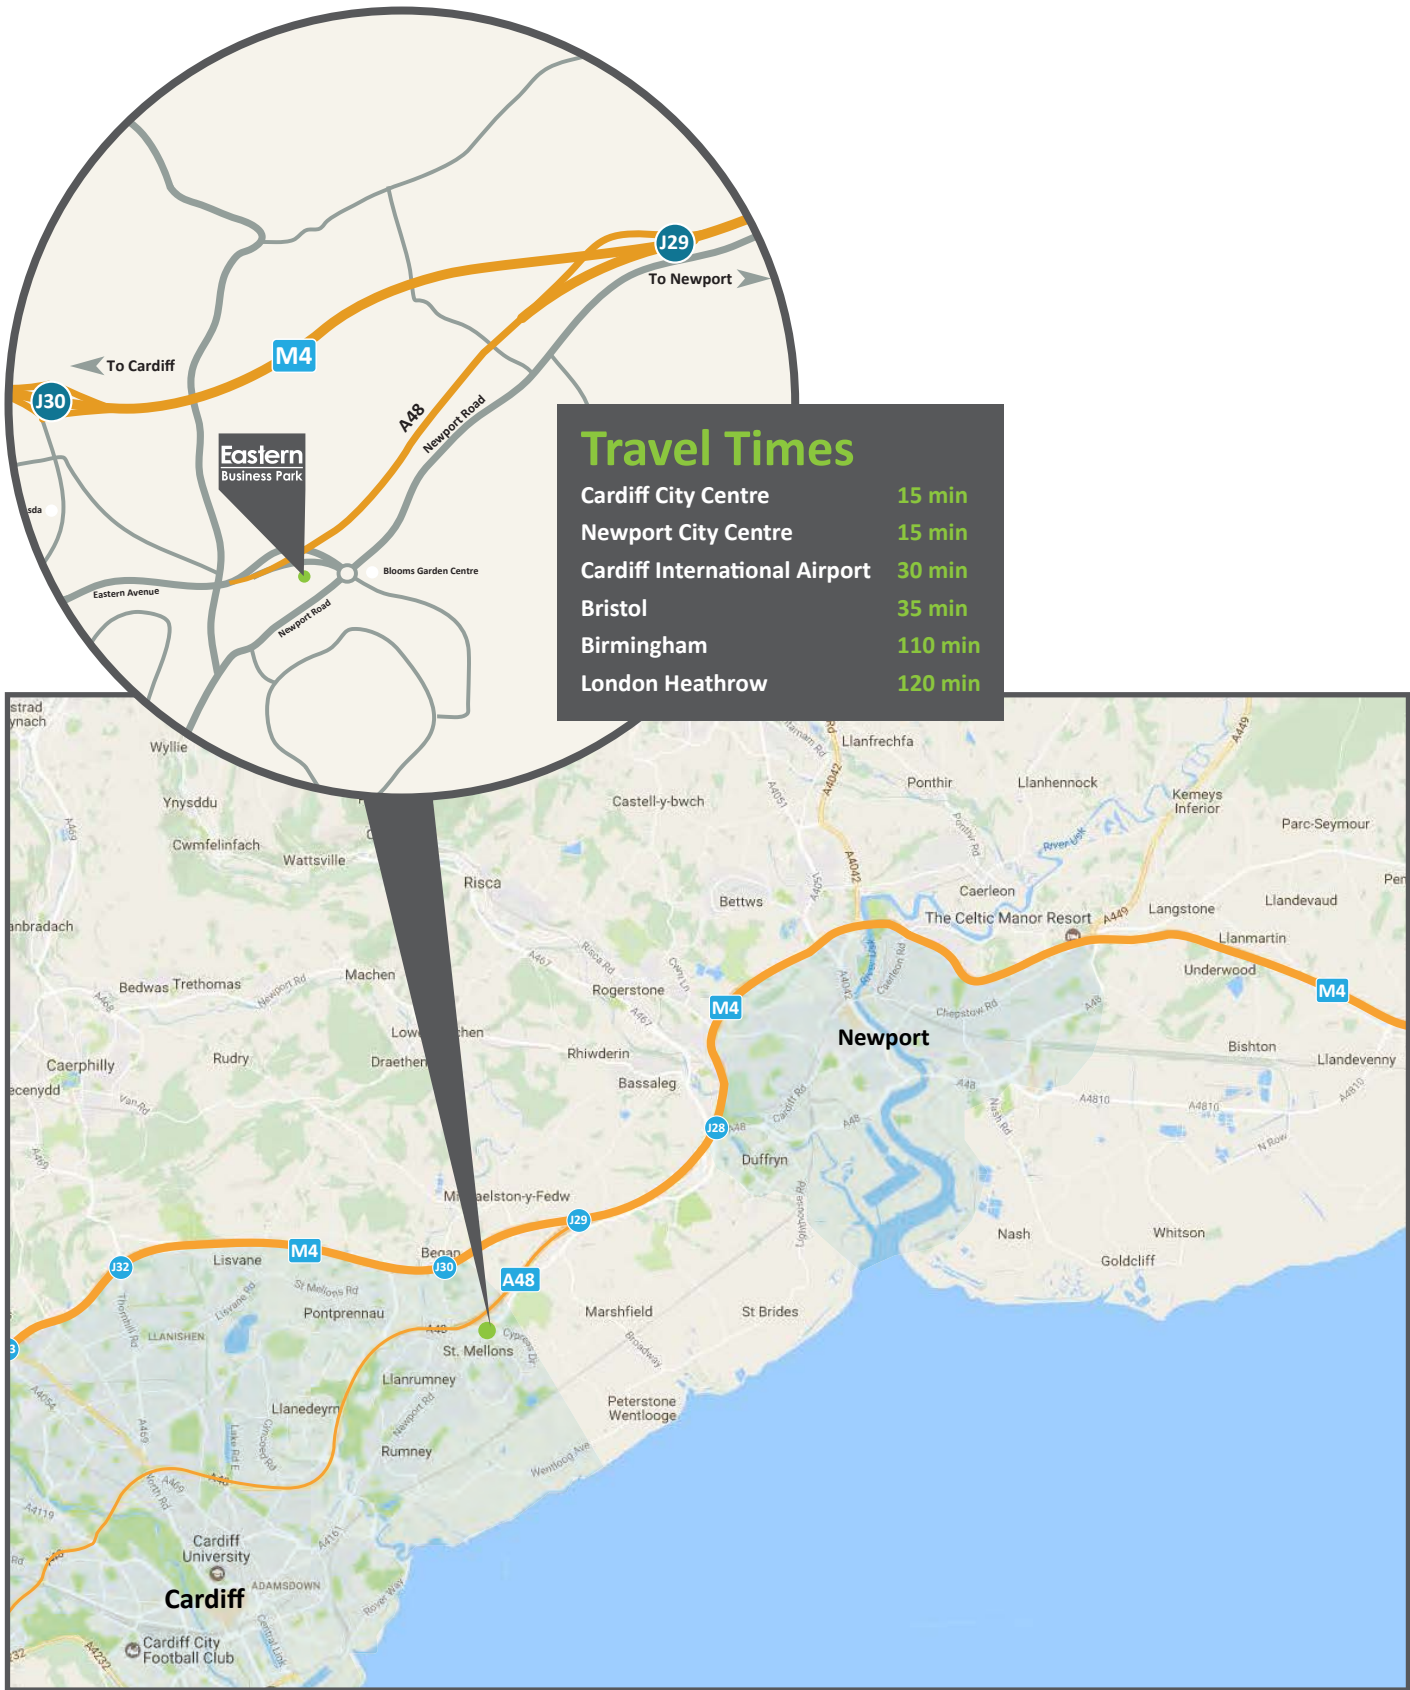

Tenants will be responsible for a fair proportion of the property service charge. Full details are available from the joint letting agents.

Terms

The offices are available to let by way of a new lease direct from the Landlord. Full details including up-to-date availability schedules are obtainable from the joint letting agents.

Connectivity

The area benefits from copper and high speed fibre connectivity. The property has in the past accommodated significant call centre occupiers including SSE, Dwr Cymru Welsh Water and Logica.
