## LOCATION

The property is located in the north western quarter of Derby City Council in the popular and historic Friar Gate Conservation Area. The location is populated by a multitude of high quality companies operating within the professional services sector.

No 1 Bridge Street occupies a prominent location on the junction of Friar Gate (A52). Transport links are very good. The A52 forms part of Derby's inner ring road providing efficient vehicular access to all parts of Derby city.

The property is within walking distance of Derby city centre's wide range of retail, leisure and business facilities including the Intu Shopping Centre, Derby's Cathedral Quarter and extensive choice of restaurants and cafes.

## DESCRIPTION

The subject property comprises a mix of extensively refurbished office facilities located in a prestigious Georgian building and its grounds.

Whilst having the capacity to serve a single occupier, the internal layout of the building has been designed flexibly to provide a range of office suites to meet a variety of space requirements.

Individual office suites have been designed to provide self contained staff facilities (toilets/kitchen) together with independently metered services, telecoms, heating and intruder alarm.

No 1 Bridge Street has been refurbished to be DDA compliant and offers good city centre car parking ratios within an electronic gated car parking area.
