4126 Linden Ave. is located in the City of Riverside, just off exit and entry ramps to State Route 35. The City of Riverside is located in the Greater Dayton region and is next door to Wright-Patterson Air Force Base, the State of Ohio's largest single-site employer with it's 24,000+ military and civilian employees. High-level research in avionics, composite materials, and aircraft design takes place at the Base. Several area firms have successfully "spun off" private-sector applications that were first developed at the Base for military use. The city's vision is to provide a highly dynamic business, industry, and retail environment. Excellent government services, a strong labor pool, easy access to local, state and national transportation networks make Riverside a great location for the business looking to enter into the Dayton market.
