RADCLIFFE ROW ROMSEY

RETAIL MEETS RESIDENTIAL - THE LATEST DEVELOPMENT IN THE ABBOTSWOOD CENTRE

Radcliffe Row is a new and modern mixed-use development combining retail, residential and office space in Abbotswood, around 2 miles from the market town of Romsey, Hampshire.

Perbury (Developments) Ltd is one of a consortium of house builders that have been responsible for delivering Abbotswood, the 52 hectare estate with 800 new homes, community buildings and facilities on the outskirts of Romsey.

Abbotswood already benefits from a convenience store, day nursery, community hall, children's playground and dedicated parking areas - and this latest addition from Perbury adds a welcome new dimension for local entrepreneurs. With its combination of commercial units, 2 bedroom maisonettes and a substantial first floor office space, Radcliffe Row presents an opportunity for small, aspirational business people to both set up shop and put down roots in the heart of the Abbotswood community is nearby.

Nearby Romsey is one of the main towns in the Test Valley Borough with a population of almost 15,000 and a relatively affluent demographic. The Kings Chase development, to the east of Abbotswood, has added a further 275 mainly family-size homes to the area and, to the south, houses command a premium in the sought after village of Crampmoor. All of this makes Abbotswood a promising location for start ups and established small businesses.

ENJOY ALL THE AREA HAS TO OFFER

Romsey has plenty for you to do and see, with historic and cultural attractions, winding streets lined with restaurants, cafés and independent boutiques, larger supermarkets (including Waitrose) and the famous Sir Harold Hillier Gardens & Arboretum.

The nearest city, Southampton, boasts some of the best shopping and leisure facilities on the south coast - including the sprawling Westquay, three cinemas and the hugely popular Mayflower Theatre - and the pleasures of the Isle of Wight are just a ferry ride away. If you like the outdoor life the South Downs National Park and New Forest National Park are on your doorstep while the many coastal villages and towns provide opportunities for sailing and water sports.

RADCLIFFE ROW

The new Radcliffe Row development is an attractive multi-purpose block comprising six ground floor retail/commercial units, five 2-bedroom maisonettes and one first floor office space.

The block is well situated in a corner of Abbotswood that attracts a lot of footfall, with the Co-operative food store, Yellow Dot nursery and Abbotswood Community Centre all very nearby.

The Co-op is open from 7am to 11pm seven days a week and the Community Centre hosts organised classes and activities from Monday to Saturday.

The retail units offer approximately 800 sq ft (73.5 sq m) of usable commercial space with an additional refuse/cycle store and separate cloakroom to the rear.

The office space is a similar size with an internal cloakroom and fitted kitchenette (see separate specification sheets).

All retail units are provided with one dedicated parking space while the office and maisonettes have two each. Additional parking (for patrons of Radcliffe Row shops and services) are available nearby.

Upstairs the five 2 bedroom maisonettes have been finished and equipped to a very high standard (see separate specification sheets).

Minstead Place is another new development from Perbury (Developments) Ltd comprising of four residential units being sold separately. Enquire for further details.

ROMSEY

AN OPPORTUNITY TO LIVE AND WORK IN AN ATTRACTIVE LOCATION WITH PLENTY OF COMMUNITY LIFE

Radcliffe Row presents an attractive proposition for anyone looking for both work and accommodation.

The office space and five residential units sit directly above the same-numbered commercial space.

Business owners could choose to buy the maisonette directly above their new premises and either live there themselves or let the property out for some welcome additional income.

SPECIFICATION

Perbury (Developments) Ltd is known for the superior standard of its build quality and decorative finish, and these standards are evident throughout Radcliffe Row.

Simply put, we like everything we do to make a lasting first impression. So look out for kitchens fitted with Neff ovens and hobs, LED lighting and steel and chrome touches. Bathrooms with energy efficient thermostatically controlled showers and towel rails. Luxury Karndean flooring in the kitchen/dining areas. Built in wardrobes, and power points wherever you need them.

The commercial units and office space have been left as well-decorated shells, ready for the new owners to fit them out as they wish.

ABOUT THE PERBURY GROUP

Perbury has been building houses for over sixty five years, and our experience shows. Whether we're designing an individual property, village housing, executive homes or a residential development, we pride ourselves on using top quality materials (that reflect the location and environment) and delivering a superior standard of build quality and decorative finish to meet our clients' demands for comfort, practicality and aesthetic appeal.

We achieve our high standards by carefully managing all of our projects ourselves from start to finish – from the initial land purchase through the design, planning and construction phases to the completion of each sale.

We have an enviable reputation for the quality, value and attention to detail that is evident right across our portfolio and for the customer service that we offer all home buyers.
