Location

The property is located within close proximity to Beeston's main high street and boasts strong transport links, with two bus stops both less than 100 metres away allowing for good access into and out of Nottingham.

By car, Wollaton Road also leads to the A52, which provides access to both Nottingham and Derby as well as Junction 25 of the M1. Beeston also has a train station which is under a mile away, and tram links which are also in close proximity to the offices which lead to Nottingham City Centre and the wider conurbations.

Description

The subject property is a two storey converted Mill which has been sensitively refurbished to provide modern office accommodation with frontage onto Albion Street. The property itself is Grade II Listed and benefits from a large amount of passing traffic due to the Sainsburys superstore and filling station opposite.

Internally the property comprises reception area, open plan office accommodation, associated WC's, kitchenette and bin store on the ground floor. The first floor is accessed via a platform lift and staircase to the rear of the building. The first floor comprises further office accommodation as well as WC's, kitchen and meeting room/break out area.

The property benefits from a modern office specification that has ample natural light, vaulted ceiling, exposed bricks and beams, also including LED lighting, inset floor boxes, CCTV. The cabling has also been installed which leads back to a designated server cabinet.

Externally the property benefits from 4 dedicated car parking spaces with further available within the vicinity.
