

Tania Burmeister

Tania Burmeister obtained her Kentucky Real Estate license in 1992 and was awarded Rookie of the Year before moving to HUFF Commercial Group in 2014. Since then, Tania has negotiated Commercial Real Estate transactions in the Northern Kentucky/Greater Cincinnati area covering all aspects of Commercial Real Estate; including Retail, Medical, Office, Industrial, Multi Unit Housing, Property Disposition and Land Development.

As an advocate for those trying to achieve their dreams, Tania started in Commercial Real Estate after seeing Real Estate Investors and Start Up Business Owners restrained by misinformation or poor communication with lenders and landlords.

As a strong negotiator, Tania believes in taking on the fight, providing expert guidance and priceless market information in order to negotiate the best terms possible for her clients.

Tania is a member of BNI (Business Network International) since 2014 and a 2016 graduate of Asentiv (formerly Referral Institute). She has been a member of the Northern Kentucky Chamber of Commerce since 2013 and the West Chester Chamber of Commerce. She has lived in Boone County, Kentucky for twenty years and enjoyed the Mason Ohio area as home for seven years. She has been involved in many volunteer organizations, and currently serves the Mary Rose Mission.

Tania is a warrior for her clients and passionate about seeing small businesses succeed in her favorite place on Earth, Greater Cincinnati/Northern Kentucky

Tania loves to travel, and has many destinations still on her bucket list, but she most often travels to Colorado to see her children and grandbabies.

Tania has chosen a world class team of Commercial Real Estate professionals at HUFF Commercial Group to work with. Each member brings a unique skill set that enhances the value and service Tania offers each client.
