RE: Petition No. 88-54

Dear Applicant:

March 29, 1988, the Board of County Commissioners granted your request for rezoning of the tract of land described in your application from C-U to PD-C with attached conditions.

A condition of rezoning is that the developer submit seven copies of a revised site plan reflecting all conditions within 90 days of zoning approval. No detailed site plan will be accepted for review until the general site plan has been certified. There is a \$130.00 charge for the general site plan review. Please submit your check for this fee with your revised general plan. Note the petition number on the plan and send to the attention of Doris Glaros.

Please keep this letter for your records. If we may be of service to you in the future, feel free to contact me at 272-5710.

Sincerely,

Carol B. Clarke
