

TO LET

FLEXIBLE OFFICE SPACE FOR DESIGN-LED COMPANIES

Design Hub, Coventry University Technology Park,
Puma Way, COVENTRY CV1 2TT

Suites available from 677 to 1,635 SQ FT (63 - 152 SQ M) NIA

- Technology Park with outstanding facilities including state of the art Conference Centre
- Suitable for companies to collaborate with University applied research activity
- Only a short walk from mainline station and City Centre shopping
- Access to business development and support services

Location

Coventry University Technology Park is a highly successful development aimed at innovative businesses who wish to locate in a vibrant Midlands City. It provides a supportive and prestigious location for forward-thinking, knowledge-based and hi-tech companies.

The landscaped site provides all the benefits of a Business Park with additional features such as site security, meeting room facilities, Bistro and state-of-the-art Conference Centre.

Whilst being just a short walk from the railway station and Coventry's main retail centre, the Technology Park is located to the south of the inner ring road (A4053) and can be accessed from Junction 5 of the ring road or via the northbound carriageway of the London Road (A4114). There is a regular mainline train service to London Euston (57 mins) and Birmingham (25 mins).

Description

The Design Hub is a fusion of world class professional, modern creative spaces for hire supported by Coventry University's international product design expertise. The Design Hub provides office space for small to medium-sized design companies and businesses where design is an integral part of their business strategy.

Services include top quality, high bandwidth telecoms, reception and office services, post, courier, FM, state-of-the-art conference centre and optional access to the University Sports Centre and library.

Coventry University Technology Park offers ample on-site car parking.
