Location.

Belvedere Point is located in the heart of the Belvedere Industrial Area to the north of Belvedere town centre and 2 miles west of Erith town centre.

Accessed from Crabtree Manor Way North, the scheme benefits from immediate access to the A2016 Bronze Age Way, where the main dual carriageway route extends east to the M25 (J1a) at the Dartford Crossing (6 miles). To the west, the A2016 joins the A206 at Woolwich, continuing on to the Blackwall Tunnel (8 miles) and A2 into Central London (15 miles).

The site is a short distance from Belvedere main line station and the new Crossrail station at Abbey Wood which has halved journey times to many Central London destinations since opening in October 2017. The central section of this project will open by March 2021.
