Plus 16 acres for further development

G-PARK BIGGLESWADE

At the heart of an established business park, G-Park Biggleswade offers 106,338 SQ FT of brand new, highly specified distribution space available for immediate occupation and the opportunity to create a bespoke building of up to 350,000 SQ FT on the remaining 16 acres of land.

The development forms the next phase of the established Stratton Business Park, which is home to a number of prestigious national occupiers from the packaging, distribution, food, manufacturing and retail sectors as well as a newly developed retail complex offering an M&S, Homebase, Boots and Halfords, among others.

The speculative development benefits from a best-in-class specification, including a 50m service yard, 15m clear internal height, 12 dock levellers and 4 level access doors as well as 125 metres of frontage, directly onto the A1.

The building has planning consent for B2 and B8 use classes, as well as ancillary office use. Just 43 miles from central London, the building is the only currently available new unit of its size on the A1.

Fully Consented
Outline planning permission in place for B2/B8 uses.

Access
Unrestricted 24/7 use.

Proven strategic location
Fronting directly onto the A1, G-Park Biggleswade is 30 miles from Junction 23 of the M25 and just 43 miles from central London.

Infrastructure complete
With the access road complete and utilities installed at the site boundary, the site is fully serviced and ready to accommodate Build-to-Suit units up to 350,000 SQ FT.

Home of leading occupiers
Stratton Business Park is home to both local and national occupiers, including Zeus Packaging, Liebherr and Bibby Distribution.

Public transport
The 85 and 85a bus services travel regularly throughout the day between London Road Retail Park and the town centre and station, which in turn give access to London Kings Cross in just 43 minutes.

Labour pool
With a low job density of 0.7 and a clustering of logistics specialists, G-Park Biggleswade can offer the right labour at the right price.

Local amenities
G-Park is just 2 miles from the centre of Biggleswade, offering a wealth of shops and restaurants to complement the nearby London Road Retail Park, home to M&S and River Island, among others.

G-PARK BIGGLESWADE

HOME TO LEADING
OCCUPIERS

G-Park Biggleswade is directly adjacent to the A1 motorway, giving easy access to London and the wider South East. Its track record as a key distribution hub for local and national occupiers is well established, playing home to companies such as Smith's Metals, Jordans Cereals, Liebherr and, more recently, Bibby Distribution and Zeus Packaging.
