Location

Flint is the former county town of Flintshire and is located approximately 6 miles north of Mold and 12 miles west of Chester. The town has a population of approximately 13,000 people (Source: Focus) but draws from a much wider rural catchment.

The town benefits from a railway station with a direct line to Holyhead to the west, Chester and onwards to London to the east.

Flintshire Retail Park is situated a short walk from the traditional High Street where the majority of occupiers are of either local or regional nature. As such, the park has become a principal retail location for the town and extends to approximately 121,655 sq ft, together with plans to extend this further.

Existing occupiers on the park include Argos, B&M and Poundland whilst the scheme is anchored by the only Sainsburys Food Store in the county.

The scheme benefits from a 460 space car park.

The park sits immediately adjacent to and shares a car park with the Jade Jones Pavilion which is home to the towns library and leisure centre and helps drive significant footfall to the park.
