INTRODUCTION

We are pleased to offer this 0.64 acre site with planning permission for eight new dwellings.

LEEDS

Leeds lies to the north of the intersection of the M1 and M62 motorways and benefits from the M621- a dedicated motorway loop that runs to the south of the city centre from junction 27 of the M62 to junction 43 of the M1.

The site lies in Yeadon – formerly a town in its own right but now part of the larger built Leeds conurbation. Yeadon is home to Leeds Bradford airport which is situated on the rural fringe just to the east. The town centre benefits from a built-up area with good service provision and specifically along its High Street which is anchored by a Morrisons supermarket and supplemented by a range of secondary and local traders.

LOCATION

Kirk Lane runs approximately east to west from New Road - the A65 between Leeds and Ilkley - and Yeadon town centre to the east.

The subject lies approximately halfway along Kirk Lane and on its southern side. It can be identified by our For Sale sign and on the attached plans.

DESCRIPTION

The site being offered for sale is approximately rectangular in shape and slopes gradually upwards to the south east. The site is currently roughly grassed with two rows of domestic garages in the centre. The site will be sold as seen with demolition down to the purchaser.

PLANNING

Planning permission was passed on 12 September 2017 for eight modern houses with a new spine road leading from Kirk Lane into the site. Immediately to the east will be a terrace of four new houses. Beyond this, to the south will be a single detached dwelling. Finally, to the south are three further dwellings in a terrace.

ACCOMMODATION

The accommodation can be summarised as follows:

DESCRIPTION	NUMBER OF HOUSES	AREA (SQ M)	AREA (SQ FT)
Two bedroomed terrace/semis	7	92.07	991
Four bedroomed detached house	1	101.73	1,095
