## Location

Milton Keynes is one of the fastest growing urban areas in the United Kingdom and has become established as a major centre for industry and commerce, with a current population of approximately 225,000.

The new city is situated 55 miles north of London and 70 miles south of Birmingham, adjacent to the M1 motorway (junctions 13 and 14). Mainline railway services are available from Bletchley and Milton Keynes Central to London (Euston), Birmingham and beyond.

The property occupies a prominent site at the western end of Deltic Avenue, at its junction with Patriot Drive, and nearby occupiers include B&Q, Cummings and Ingram.

## Description

Aurora is an impressive building providing well-specified office accommodation, with raised floors and air-conditioning. The main office areas are arranged around a glazed central atrium and accessed from a shared reception area. In addition, there is also a restaurant facility onsite available to use by all tenants. There is a large private car parking area with private spaces and visitor spaces. The site also provides 4 electric car charging points.

The first floor office is arranged as an open plan space with a number of separate boardroom/meeting rooms partitioned areas.

## Energy Performance Certificate
