

Call Centre

Cool Centre

"We chose Lingfield Point because it provided a blank canvas for us to create a modern, fit for purpose environment for our contact centre in Darlington. The environment we have created has not only won awards but helped us to attract employees."

Mark Cassidy, Student Loans Company Head of Estates and Sourcing.

Lingfield Point has been providing BCO award-winning, leading edge collaborative work space for over a decade.

For existing clients our award-winning design and build team have created spaces, with light filled atriums, loft style offices and creative breakout areas with custom built furniture and striking colour schemes – showcases for their business as well as a stimulating work environment for their employees.

Single floor plates provide maximum efficiency and a collaborative environment.

Light, space and acres of opportunity

Whether you're looking for a corporate headquarters, a call answering or financial services centre or high-tech research and development facilities, the sheer scale of accommodation available at Lingfield Point can meet both your existing needs and future expansion plans.

CAPITA

CAPITA

Lingfield Point is already home to some of Darlington's biggest employers including:

Wood Group, Capita, Student Loans Company, Dunlop UK, The NHS, NFU & NFU Mutual.

Darlington is the gateway to the Yorkshire Dales to the West and the North Yorkshire Moors to the East. Both only a 30 minute drive away.

Whether you are interested in music and the performing arts, sport and leisure, or tourism and heritage, Darlington has something to offer everyone.
