# AMENITIES

## AUTOMATED PARKING

Tenants benefit from a seamless, fully automated parking experience in the adjoining garage utilizing advanced license plate recognition technology. The system enables frictionless entry and exit, eliminating tickets, access cards, and wait times. Companies benefit from simplified account management, automated billing, and easy onboarding of parking privileges\*.

The platform also enhances the visitor experience through digital validations and effortless guest access, ensuring a professional and welcoming arrival for clients and guests. Real-time system monitoring and reduced congestion contribute to a more efficient and reliable parking environment.

## FITNESS CENTER

Enhance your daily routine with convenient access to the fully equipped **PROOF FITNESS** located on the top floor of the adjacent parking garage. Designed to support a healthy and balanced lifestyle, the facility offers a range of modern cardio and strength-training equipment, allowing members to stay active without leaving the property. Save time on commuting to external gyms and enjoy the flexibility of working out on your own schedule. Whether it's a quick morning session or a stress-relieving workout after a long day, **PROOF FITNESS** is an added amenity that promotes well-being, productivity, and overall tenant satisfaction\*\*.

\*Parking garage is separately owned and operated. Monthly parking fees apply.
