TUALATIN MARKET OVERVIEW

The city of Tualatin is a dynamic, vibrant community conveniently located just 13 miles south of Portland. Similar to neighboring suburbs, Tualatin possesses strong demographics with over 45% of residents holding a bachelor's degree or higher and average household income exceeding \$110,000. Situated at the intersection of I-5 and I-205, Tualatin affords residents short commute times to downtown Portland and surrounding suburban markets. Excellent educational opportunities are available to residents through the Tigard-Tualatin School District, which is a top 10 ranked school system in Oregon. As a result, Tualatin's housing market has experienced considerable growth since the onset of the pandemic. Attractive yet affordable neighborhoods, an excellent school system, and a Washington County zip code makes Tualatin one of the most desirable suburbs in the Portland market.
