ST GEORGE'S ROAD, BOLTON

LOCATION

St Georges House occupies a prominent corner position at the junction of Bridge Street and St Georges Road in Bolton Town Centre. St Georges Road is occupied by a mix of business operations, such as financial and professional services; medical consultation and general offices.

The building is located within walking distance of the Town Centre amenities and the A666 is located approximately 0.4 miles to the west of the property, which provides direct links to the M60 motorway network.

The Market Place, Top Way and All Saints Street public car parks are all located within walking distance of the building, together with all the Town Centre facilities.

DESCRIPTION

The five storey property comprises an attractive, traditionally constructed period Town Centre office building, with a mixture of cellular and open plan accommodation over all floors.

The ground floor has been tastefully and sympathetically refurbished to provide exceptional office accommodation and meeting rooms, in addition to modern ground floor Bistro & Art Gallery.

The building provides spacious office accommodation, with generous facilities, in addition to attractive and imposing common areas, benefiting from the many retained and unearthened traditional features. The offices benefit from full length glazing, electrical heating and the building will benefit from a fully glazed passenger lift, accessing all floors.
