Metal & Waste House

Lightmoor Road, Telford

LOCATION

The property occupies a semi-rural location off Lightmoor Road on the outskirts of the small town of Dawley. The site lies just off the A442 providing access to Telford Town Centre and Junction 4 of the M54 approximately 4 miles distant. There is some residential development to the rear and nearby commercial occupiers include RHP Transport.

DESCRIPTION

The property comprises a secure site of circa 3.9 acres providing a substantial former metal recycling facility incorporating a modern detached industrial unit and two-storey office accommodation, extensive yard/open storage space and on site car parking.

To the southeast of the site is a detached single storey warehouse of portal frame construction with a concrete floor and steel profile cladding to the elevations and roof, having Perspex roof lights. Vehicular access is afforded via two full height roller shutter doors on the front elevation and a further roller shutter door to the side, which also incorporates a canopy and loading bay. Internally, the warehouse has sodium lighting throughout and benefits from integral two-storey blockwork offices including kitchen, WC and shower facilities.

Adjoining the warehouse to the eastern elevation is a two-storey office block providing a sales counter and general offices on the ground floor with further offices and a staff rest room on the first floor. The offices benefit from modern flush ceilings lights throughout.

Externally, the perimeter of the site is secured by steel palisade fencing with a gated access to the front. It provides extensive yard and open storage space, which is predominantly concreted and includes a car parking area upon entrance to the site. There is also a weigh-bridge.
