

Where your business finds its *perfect space*

Saltbox combines modern co-warehousing spaces, a-la-carte logistics services, and advanced shipping software to **streamline shipping and operations** for small to medium-sized ecommerce businesses.

What we offer

WORKSPACE

Grow your business in our flexible warehouse and office suites.

- Month-to-month memberships.
- Customizable layouts.
- All-inclusive amenities like Wi-Fi, content studios, conference rooms, and more.
- Accessible loading docks.
- Building services like security, cleaning, trash pick-ups, HVAC, and power.

LOGISTICS SERVICES

Access onsite tools, and add storage and a-la-carte services to any membership.*

- Equipment rentals.
- In-suite pick & pack.
- Special projects (i.e., FBA prep, product assembly, kitting).
- Onsite staff receive for you.
- Easy package drop-offs.

**Additional cost; prices vary*

SHIPPING SOFTWARE

Ship smarter and cheaper with Parsel: Saltbox's shipping management platform built for our members.

- Enterprise-level shipping rates.
- Exclusive regional carriers in select cities.
- Efficient pick and pack workflows & batch recommendations.
- Dedicated in-house support.
- Completely free, with no terms.
